**SUMMARY:**

Approval of the Certificated Passenger Airline Lease between the County of Orange and Breeze Aviation Group, Inc. and approval of the allocation of operating capacity will allow Breeze Aviation Group, Inc., a

new carrier from the commercial air carrier new entrant waiting list, to initiate operations at John Wayne Airport.

**BACKGROUND INFORMATION:**

John Wayne Airport (JWA) seeks Board of Supervisors (Board) approval of the Certificated Passenger Airline Lease (Lease) with Breeze Aviation Group, Inc. (Breeze Airways) for a term effective February 16, 2023, through December 31, 2025.

On November 8, 2022, the Board approved the Air Carrier allocations for the 2023 Plan Year (January 1, 2023, through December 31, 2023) consistent with the Phase 2 Access Commercial Airline Plan (Plan). In accordance with these allocations and the provisions of the Plan, JWA requests authorization to allocate three County-Controlled Class A Average Daily Departures (ADDs) to Breeze Airways, a new entrant Air Carrier currently on the commercial air carrier new entrant waiting list. Breeze Airways will be utilizing the Airbus A220-300 series aircraft with a 126-seat configuration at JWA. Breeze Airways announced that with their allocated three Class ADDs, they will initiate operations and provide service to air passengers through and in Terminal A to Provo, UT, and Orlando, FL, in February 2023. In late March 2023, Breeze Airways will begin service to Cincinnati and Columbus, OH, Pittsburgh, PA, and Providence, RI.

**Community Impact Assessment**

No adverse impact to the community from noise and emissions is foreseen from the proposed approval of the Lease with Breeze Airways. The Airbus A220-300 aircraft, which is currently also being operated by other airlines at JWA, is known for its reduction in noise and emissions exposure.

**Compliance with CEQA:** This project is a necessarily included element of the project considered in Final Environmental Impact Report (EIR) No. 617, certified by the Board of Supervisors on September 30, 2014, for the JWA Settlement Agreement Amendment, which adequately addressed the effects of the project. No substantial changes have been made in the project, no substantial changes have occurred in the circumstances under which the project is being undertaken, and no new information of substantial importance to the project which was not known or could not have been known, when the Final EIR No. 617 was certified; therefore, no further environmental review is required.

**FINANCIAL IMPACT:**

The estimated revenue to JWA for Breeze's Lease term of February 16, 2023, through December 31, 2025, will be approximately \$4,333,784, based on current airline rates and charges and capacity allocation. Revenue for this Lease is included in the FY 2022-23 Budget for Airport Operating Fund 280 and will be included in the budgeting process for future years. Estimated revenues for the duration of the lease using current rates are as follows:

<b>FY</b>	<b>Amount</b>
2022-23	\$565,276
2023-24	\$1,507,403
2024-25	\$1,507,403
2025-26	\$753,702
<b>Total</b>	<b>\$4,333,784</b>

The Lease contains language allowing the County to terminate for convenience for any reason and without cause upon 90 days' written notice.

CERTIFICATED PASSENGER AIRLINE LEASE**

THIS AIRPORT USE AND LEASE AGREEMENT ("LEASE") is made and entered into this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, by and between the COUNTY OF ORANGE, a political subdivision of the State of California ("COUNTY"), and Breeze Aviation Group, Inc. ("AIRLINE").

**RECITALS**

WHEREAS, the COUNTY, through its Board of Supervisors, is the owner and proprietor of John Wayne Airport ("JWA" or "Airport"), located in the County of Orange, State of California, and operates and maintains the Airport as a governmental function for the primary purpose of providing air transportation to the public; and

WHEREAS, the AIRLINE is engaged in the business of commercial air transportation of persons, property, cargo and mail as a scheduled air carrier and is certificated or otherwise authorized by the United States of America to engage in such business; and

WHEREAS, the AIRLINE desires to enter into an agreement addressing certain premises, facilities, rights, licenses, services and privileges at the Airport; and

WHEREAS, as part of its ongoing effort to operate the Airport in a manner sensitive to the residents who live under the Airport's approach and departure corridors, the COUNTY has developed one of the most stringent access and noise abatement programs in the country. The Airport monitors all aircraft operations, both commercial and private, for compliance with the program. These noise abatement and access restrictions derive from the 1985 Settlement Agreement between the COUNTY, City of Newport Beach and other parties, and are implemented through ordinances, resolutions (including Resolutions No. 85-255, 85-256, 85-259, 85-1231, 85-1232, and 85-1233), regulations (including the Phase 2 Commercial Airline Access Plan and Regulation) and policies of the COUNTY, as they may be amended from time to time; and

WHEREAS, the 1985 Settlement Agreement has been periodically amended by its parties, to, among other things, increase the authorized passenger levels at the Airport; and

WHEREAS, the amendments to the 1985 Settlement Agreement preserve and continue to implement important restrictions on the use of JWA, "grandfathered" under the AIRPORT NOISE AND CAPACITY ACT OF 1990 ("ANCA"), which reflect and accommodate historical policy decisions of the Board of Supervisors regarding the appropriate point of balance between the competing interests of the air transportation and aviation community and local residents living in the vicinity of the Airport. These policy decisions address, among other issues, nighttime operational restrictions and maximum permitted single event noise levels; and

WHEREAS, the COUNTY and the AIRLINE mutually desire to enter into a LEASE in order to provide air transportation services to the community and its visitors; and

WHEREAS, the COUNTY has the right to permit and grant the use of its property at the Airport to the AIRLINE for the operation of the AIRLINE's air transportation services; and

**JOHN WAYNE AIRPORT

Said fees shall be established on the basis of allocating the Airport's total costs and expenses associated with the baggage claim and baggage make-up areas to the commercial airlines in the terminal accordingly: twenty percent (20%) of the costs to be shared evenly among the commercial airlines and eighty percent (80%) of the costs to be shared based on each commercial airline's percentage of total deplaned passengers at the Airport, including their commuter affiliates.
- (b) Departure Level. The COUNTY shall establish fees for shared use of departure level common areas, including hold-rooms, airside concourses, baggage/passenger screening areas and security areas. Said fees shall be established by allocating the Airport's total costs and expenses associated with departure level common areas accordingly: ten percent (10%) of the costs to be shared evenly among the commercial airlines in the terminal, forty-five percent (45%) of the costs to be shared based on each commercial airline's percentage of total enplaned passengers at the Airport, including their commuter affiliates, and forty-five percent (45%) of the costs to be shared based on each commercial airline's percentage of total aircraft departures.

The COUNTY may modify the rents, fees and charges described in Paragraphs A and B of section 4.01. Said modification of rates and charges may not occur more often than every six (6) months. Modifications may include fee revisions, the establishment of new fee classifications, or such other changes as needed to respond to the AIRLINE's use of the Airport. At the end of each modification period, the COUNTY shall establish monthly fees and issue credits for any overpayments by the AIRLINE or invoice the AIRLINE for any underpayments for the previous period.

Said fees shall be established and allocated according to departure activities allocation methodology, as follows: ten percent (10%) of the costs to be shared evenly among the commercial airlines in the terminal, forty-five percent (45%) of the costs to be shared based on each commercial airline's percentage of total enplaned passengers at the Airport, including their commuter affiliates, and forty-five percent (45%) of the costs to be shared based on each commercial airline's percentage of total aircraft departures.

In the event of future CUPPS upgrade implementation due to technological requirement or regulatory compliance, the cost of CUPPS upgrade shall be amortized over three years, allocated according to departure activities allocation methodology, as follows: ten percent (10%) of the costs to be shared evenly among the commercial airlines in the terminal, forty-five percent (45%) of the costs to be shared based on each airlines percentage of total enplaned passengers at the Airport, including their commuter affiliates, and forty-five percent (45%) of the costs to be shared based on each commercial airline's percentage of total aircraft departures.

- B. The AIRLINE shall pay the following fees and charges payable monthly in arrears on or before the twentieth (20th) day of each month with no grace period. Upon thirty (30) days written notice from the Airport Director, the COUNTY may modify the rents, fees and charges described in Paragraphs A and B of section 4.01. Said modification of rates and charges may not occur more often than every six (6) months. Changes may include fee revisions, establishment of new fee classifications, or such other changes as needed to respond to the AIRLINE's use of the Airport, the need for the COUNTY to receive fair and equitable rents, fees and charges for all uses of the Airport, and to insure the Airport is operated at no cost to the local taxpayer. With regard to any dispute as to what may constitute reasonable rents, fees, and charges, the AIRLINE shall first exhaust all remedies provided by applicable federal law and FAA regulations. At the end of each modification period, the COUNTY shall establish monthly fees and issue credits for any overpayments by the AIRLINE or invoice the AIRLINE for any underpayments for the previous period.

- C. Based upon prior written agreement between the AIRLINE and the COUNTY, the AIRLINE may pay for facilities repairs or modifications that would normally be the responsibility of the COUNTY. Costs for such repairs or modifications shall be deducted from the AIRLINE rent by the COUNTY upon submittal to the COUNTY of invoices, receipts, statements, or other documentation acceptable to the COUNTY for said repairs or modifications. All invoices, receipts, statements or other documentation shall include a detailed description of the nature of the work performed and the associated costs. Upon completion of all repairs or modifications, the AIRLINE shall submit to the COUNTY a written request for rent credit and all documentation for the repairs or modifications.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

Notwithstanding anything in this LEASE to the contrary, all amounts payable by the AIRLINE to or on behalf of the COUNTY under this LEASE, whether or not expressly denominated as rent, shall constitute rent for the purposes of the U.S. BANKRUPTCY CODE, 11 U.S.C. §502(b)(6).

The AIRLINE shall notify the Airport in writing within thirty (30) days of filing a petition for bankruptcy.

The AIRLINE assumes all risk of loss if payments are made by mail.
- B. **Form of Payment.** All sums due under this LEASE shall be paid in lawful money of the United States of America without offset or deduction or prior notice or demand. No payment by the AIRLINE or receipt by the COUNTY of a lesser amount than the payment due shall be deemed to be other than on account of the payment due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and the COUNTY shall accept such check or payment without prejudice to the COUNTY's right to recover the balance of the amount due or pursue any other remedy in this LEASE. All electronic payments must be remitted by Automated Clearing House (ACH)/direct deposit to the Airport's designated bank account, or any future mode prescribed by the COUNTY. Any fees assessed to the COUNTY's bank account due to the use of other form of payment (e.g., wire transfer) not prescribed or approved by the COUNTY, shall be passed-through to AIRLINE plus a twenty-five dollar (\$25.00) processing fee.
- C. **Penalty for NSF Check** In the event a check submitted by AIRLINE is returned for non-sufficient funds ("NSF"), the AIRLINE agrees to pay the COUNTY a service charge in the amount of twenty-five dollars (\$25) for the first returned check, and thirty-five dollars (\$35) for each subsequent check. AIRLINE may also be liable for treble damages pursuant to California Civil Code Section 1719.

**SECTION 4.03 CHARGE FOR LATE PAYMENT**

The AIRLINE hereby acknowledges that the late payment of rent or any other sums due hereunder will cause the COUNTY to incur costs not contemplated by this LEASE, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, administrative processing of delinquent notices, increased accounting costs, or lost interest income.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

Accordingly, if any payment of rent as specified in Section 4.01 in this LEASE or of any other sum due the COUNTY is not received by the COUNTY by the due date, a late charge of one and one-half percent (1.5%) of the payment due shall be added to the payment, and the total sum shall become immediately due and payable to the COUNTY. An additional charge of one and one-half percent (1.5%) of said payment, excluding late charges, shall be added for each additional month that said payment remains unpaid.

The AIRLINE and the COUNTY hereby agree that such late charges represent a fair and reasonable estimate of the costs that the COUNTY will incur by reason of the AIRLINE's late payment. Acceptance of such late charges (and/or any portion of the overdue payment) by the COUNTY shall in no event constitute a waiver of the AIRLINE's default with respect to such overdue payment, or prevent the COUNTY from exercising any of the other rights and remedies granted hereunder.

**SECTION 4.04 PASSENGER FACILITY CHARGE**

The COUNTY expressly reserves the right to impose PFCs on airline passengers for the use of the Airport in accordance with 49 U.S.C. §40117 and applicable implementing regulations adopted by the FAA, including 14 C.F.R. Part 158, as they may be amended from time to time (the "PFC Regulations").

The AIRLINE shall hold in trust for the COUNTY the net principal amount of all PFCs that are collected by the AIRLINE or its agents on behalf of the COUNTY. For the purposes of Section 4.04, net principal amount shall mean the total principal amount of all PFCs that are collected by the AIRLINE or its agents on behalf of the COUNTY, reduced by any amount that the AIRLINE is permitted to retain pursuant to 49 U.S.C. §40117 and the PFC Regulations. Monthly PFCs collected by the AIRLINE shall be remitted to the COUNTY no later than the last day of the following calendar month or, if that date falls on a weekend or holiday, the first business day thereafter. In addition, PFCs collected by the AIRLINE shall be remitted to the COUNTY at the address specified in Section 4.02, Part A, "Place of Payment and Filing" or at such other place as designated by the COUNTY.

Should the AIRLINE fail to remit the net principal amount of all PFCs to the COUNTY within five (5) days following the remittance date specified above, the AIRLINE shall be deemed to be in default pursuant to Article XI hereof. In addition, any late payment of PFCs shall be subject to late fees computed at the rate of one and one-half percent (1.5%) per month of the payment due and/or the highest rate allowable under applicable state law from the due date until paid in accordance with Section 4.03 of this LEASE.

Nothing contained herein shall be construed to supersede the rights and obligations provided in 14 C.F.R. Part 158 regarding PFCs. In the event that a conflict exists between such federal regulation and this agreement, the federal regulation shall govern.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

**SECTION 4.05 PROVISION AGAINST SET-OFFS**

It is the obligation of the AIRLINE to pay all fees and charges, free of any set-offs or claims, in the amount and at the times specified in this LEASE. In the event that the AIRLINE desires to contest the validity or amount of any such fees and charges, the AIRLINE shall first pay the same to the COUNTY and may then seek a refund in any appropriate forum.

**SECTION 4.06 SECURITY DEPOSIT**

The AIRLINE, prior to the commencement of operations, shall deposit with the COUNTY a security deposit approximately three (3) times the estimated monthly rent, fees and charges as determined by the Airport Director.

Concurrently with each revision of the rent pursuant to Section 4.01 in this LEASE, the security deposit to be provided by the AIRLINE shall be adjusted to approximately three (3) times the estimated monthly rent, fees and charges as determined by the Airport Director to guarantee the faithful performance by the AIRLINE of its obligations under this LEASE and the payment of all rents, fees and charges due hereunder. PFCs shall be excluded from the rents, fees and charges used to determine the AIRLINE's security deposit.

The security deposit shall take one of the forms set out below and shall guarantee the AIRLINE's full and faithful performance of all the terms, covenants, and conditions of this LEASE:

- A. A letter of credit from one or more financial institutions, subject to regulation by the State of California and federal government, pledging that funds necessary to secure performance of the terms, covenants, and conditions of this LEASE are on deposit and guaranteed for payment, and agreeing that said funds shall be trust funds securing the AIRLINE's performance and that all or any part shall be paid to the COUNTY, or order upon demand by the Airport Director. Both the financial institution(s) and the form of the letter(s) of credit must be approved by the Airport Director.
- B. A Faithful Performance Bond executed by a surety company or financial institution qualified and admitted to do business in the State of California and issued in a form approved by the COUNTY. Under the bond, the surety company shall guarantee to the COUNTY full and complete performance of all the terms, conditions and covenants herein to be performed on the part of the AIRLINE, including the payment of use fees, charges, rents, as well as any and all other payments. Said bond shall be maintained at the cost of the AIRLINE throughout the existence of this LEASE. Said Surety shall give the Airport Director a minimum thirty (30) days prior written notice of cancellation or material change in said bond. Such cancellation or material change without the Airport Director's prior written consent shall constitute a default under this LEASE.

Regardless of the form in which the AIRLINE elects to make said security deposit, all or any portion of the principal sum shall be available unconditionally to the COUNTY for correcting any default or breach of this LEASE by the AIRLINE, its successors or assigns, or for payment of

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

expenses incurred by the COUNTY as a result of the failure of the AIRLINE, its successors or assigns, to faithfully perform all terms, covenants, and conditions of this LEASE.

Should the AIRLINE elect to provide either an letter of credit or a Faithful Performance Bond to fulfill the security deposit requirements of this LEASE, said letter of credit or bond shall have the effect of releasing depository or creditor therein from liability on account of the payment of any or all of the principal sum to the COUNTY, or order upon demand by the Airport Director.

In the event the Airport Director withdraws all or any portion of the security deposit as provided herein, the AIRLINE shall, within ten (10) days of any withdrawal by the Airport Director, replenish the security deposit to maintain it at amounts herein required throughout the term of this LEASE. Failure to do so shall be deemed a default and shall be grounds for immediate termination of this LEASE as per Article XI of this LEASE.

The AIRLINE shall be obligated to maintain the security deposit in effect until the expiration date or earlier termination of this LEASE.

The security deposit, after deduction of all amounts due the COUNTY, shall be rebated, reassigned, released or endorsed by the COUNTY to the AIRLINE or order, as applicable, after one hundred twenty (120) days have elapsed, or at an earlier time to be determined by the Airport Director, following the expiration date of the term of this LEASE, provided the AIRLINE has fully and faithfully performed each and every term, covenant, and condition of this LEASE.

**SECTION 4.07 NEW ENTRANT DEPOSIT**

A cash security deposit in the sum of FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00) shall be provided by a new entrant AIRLINE prior to the commencement of operations.

This deposit shall be returned to the new entrant AIRLINE after six (6) months of continuous operation.

**SECTION 4.08 MARKETING FUND FEE**

The COUNTY has established a marketing fund for the Airport to conduct sales promotions, Airport-wide advertising, and related activities intended to promote the Airport and its tenants. Commencing January 1 of each calendar year, AIRLINE shall be required to make an annual marketing fund payment in the amount of ten thousand dollars (\$10,000.00). AIRLINE agrees to pay this amount on or before January 1 of each year. All monies received by the Airport for the marketing fund shall be used solely for the purpose of Airport tenants' promotions and directly related expenses. In the event any year of this LEASE contains less than 12 months, AIRLINE shall pay a pro-rata portion of the annual amount corresponding to the number of months remaining in that calendar year.

For example, if the LEASE commenced on November 1, AIRLINE would pay the monthly pro-rata portion (\$833.33 per month) of the annual marketing fund amount for November and

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

December (totaling \$1,666.66). Then, commencing on January 1, AIRLINE would make the full annual marketing fund payment of \$10,000.00. Should the LEASE expire on September 15, AIRLINE would pay a pro-rata portion of the annual amount for the months of January through September.

**ARTICLE V - USE, OPERATION, MAINTENANCE AND CONDITION OF PREMISES**

**SECTION 5.01 USE**

The AIRLINE's use of the Leased Premises and its operations shall be limited to conducting a scheduled commercial airline operation. Subject to the limitations set forth in this Section and the Sections 5.03, 5.04, 5.05, and 9.01 in this LEASE, this operation is subject to the following authorized uses:

- A. Loading and unloading of passengers.
- B. Loading and unloading of baggage.
- C. Passenger processing operations.
- D. Flight operations office.
- E. The AIRLINE shall have the right to have its aircraft and other equipment serviced by suppliers of its choice. Such suppliers may provide materials and services, including, but not limited to, aviation fuel, ground vehicle fuel, lubricating oil, greases, parts, and all other materials and supplies and services required by the AIRLINE in the conduct of its air transportation service.
- F. Mail, freight and cargo operations, but only when such activity is incidental to, and conducted in connection with, regularly scheduled commercial passenger operations. The AIRLINE shall not conduct any operations at the Airport with aircraft which are:
  - 1) Used at the Airport exclusively or primarily for mail, freight or cargo services; or
  - 2) Which have been modified in any manner for the purpose or the primary effect of reducing the passenger carrying capacity and increasing the cargo or freight carrying capacity of the aircraft.
- G. Air charter activities in compliance with Access Plan.
- H. Commissary services for the AIRLINE's employees at the Airport and in-flight catering services in support of the AIRLINE's air operations at the Airport. This does not permit the AIRLINE to conduct commissary or in-flight services for any other airline or other person at the Airport without first obtaining a separate license to allow commissary or in-flight services for other airlines.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

- I. Handling of other airlines' operations and ticketing pursuant to Section 9.01 in this LEASE.
- J. Employee training incidental to the other uses permitted under this Section.

- L. Other uses as authorized by the Airport Director.

**SECTION 5.02 USE OF PUBLIC AIRPORT FACILITIES**

The COUNTY grants the AIRLINE a license for the nonexclusive use of all public Airport facilities including, but not limited to, taxiways, runways, navigational aids and facilities relating thereto for purposes of landings, takeoffs and taxiing of the AIRLINE's aircraft. All such use shall be in accordance with the laws of the United States of America, State of California, and the rules and regulations promulgated by their authority with reference to aviation and air navigation, and in accordance with all reasonable and applicable rules, regulations, and ordinances of the COUNTY now in force or hereafter prescribed or promulgated by ordinance or by law, including the Access Plan. The use of these areas shall be subject to the control and regulation of the Airport Director.

This license for non-exclusive use is subject to all rights reserved by the COUNTY to license, permit, authorize, regulate and relocate concessionaires and other Airport tenants, including but not limited to, booths, counters, offices, lockers and wall space.

**SECTION 5.03 RULES AND REGULATIONS**

The COUNTY may adopt and enforce "Airport Rules and Regulations" that the AIRLINE agrees to observe and obey with respect to the use of the Airport and its appurtenances, facilities, improvements, equipment and services, provided that such rules and regulations shall not be inconsistent with safety, with applicable rules, regulations and orders including those of the FAA and TSA with respect to all operations of the Airport, and with the terms of and AIRLINE's rights under this LEASE. Except in the case of emergency, the COUNTY shall give the AIRLINE written notice and opportunity to comment on any proposed changes or additions to the Airport Rules and Regulations that could impact the AIRLINE's operations at the Airport before such proposed rules and regulations are adopted by the COUNTY. If requested, the COUNTY shall promptly provide a copy of such Airport Rules and Regulations to the AIRLINE.

The AIRLINE's operations under this LEASE shall comply with all Airport Rules and Regulations and shall observe, obey, comply with and not otherwise hinder or obstruct any and all rules, regulations, laws, ordinances, statutes or orders of any governmental authority, whether federal, state, or local, lawfully exercising authority over the Airport or the activities thereon, including compliance with FAA, TSA and Airport security rules, regulations and plans.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

To the fullest extent authorized by law, the AIRLINE shall be liable to the COUNTY for any and all claims, demands, damages, fines or penalties of any nature whatsoever which may be imposed upon the COUNTY due to the AIRLINE's violation of any governmental rules, environmental laws, regulations or standards as now or may hereafter be promulgated or enacted, related to AIRLINE's operation under this LEASE, including, but not limited to, the payment of any fines or penalties for any breach of security, arising from the unauthorized entry of any person or vehicle onto the Airport or from any other violations caused directly or indirectly by the act, omission, negligence, abuse or carelessness on the part of the AIRLINE, its employees, subtenants, agents or suppliers related to AIRLINE's operation under this LEASE.

The COUNTY shall not be liable to the AIRLINE for any diminution or deprivation of possession, or of its rights hereunder, on account of the exercise of such right or authority provided in this LEASE, nor shall the AIRLINE be entitled to terminate the whole or any portion of the leasehold estate herein created by reason of the exercise of such right or authority, unless the exercise thereof shall so interfere with the AIRLINE's use and occupancy of the Leased Premises so as to constitute a termination in whole or in part of this LEASE by operation of law in accordance with the laws of the State of California.

**SECTION 5.04 ACCESS PLAN LIMITATIONS ON USE**

The AIRLINE agrees that:

- A. Notwithstanding any provision in this LEASE to the contrary, the AIRLINE shall conduct all of its operations and activities at the Airport in strict conformity with the Access Plan and each of its regulations and limitations on the AIRLINE's activities and operations at the Airport.
- B. The ADD allocations and other operating privileges made to the AIRLINE under the Access Plan are a privilege that may be revoked or modified by the COUNTY at any time during the term of this LEASE, and that such privileges do not constitute property rights of the AIRLINE.
- C. The ADD allocations and other operating privileges made to the AIRLINE under the Access Plan are not transferable, assignable or delegable by the AIRLINE to any other person or entity by operation of law or otherwise, and that such allocations and other operating privileges may not be pledged, hypothecated or encumbered by the AIRLINE at any time for any purpose.
- D. The remedies specified in the Access Plan for any Access Plan violation by the AIRLINE are not the exclusive remedies of the COUNTY, but shall constitute additional nonexclusive remedies that the COUNTY may enforce separately or cumulatively with other remedies under the enforcement provisions of this LEASE.
- E. The AIRLINE shall not at any time, or for any reason, make any assertion to any court, administrative agency, administrative tribunal or other similar forum that is in any respect

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

inconsistent with the terms and provisions of this Section, except that nothing in this Section shall prevent the AIRLINE from making any argument or asserting any position to the COUNTY, as applicable, in connection with any action by the COUNTY to revoke or modify allocations of operating privileges or any amendments to the Access Plan.

- F. All provisions of Section 5.01 and Article XI in this LEASE are subject to the terms, provisions and limitations of this Section.

**SECTION 5.05 OPERATIONAL REQUIREMENTS**

The AIRLINE agrees to abide by the following operational conditions and requirements:

- A. **Flight Operations and Reallocations.** The number of allocated ADDs, including "regularly scheduled," "charter," "maintenance," and "cargo" shall not exceed the number of departures authorized and allocated to the AIRLINE under the Access Plan. In addition to any and all remedies available to the COUNTY under this LEASE and all provisions of the Access Plan, the COUNTY may reallocate ADDs or other operating privileges granted to the AIRLINE under the provisions of the Access Plan. The AIRLINE shall not operate at JWA unless it conducts its operations with ADDs, allocated seat capacity or other Authorized Departures directly and formally allocated to the AIRLINE by action of the Board of Supervisors; the AIRLINE conducts all of its operations with aircraft which have been certified for operation at the Airport consistent with Access Plan requirements; and, the AIRLINE has met all other applicable COUNTY requirements.
- B. **Hours of Operation.** Except as expressly authorized, the AIRLINE's aircraft shall not depart from the Airport between the hours of 10:00 p.m. and 7:00 a.m. (8:00 a.m. on Sundays) and shall not arrive at the Airport between the hours of 11:00 p.m. and 7:00 a.m. (8:00 a.m. Sundays), as measured at any JWA noise monitoring station. All times shown are Pacific Time.

The AIRLINE acknowledges that the COUNTY may, by regulation, permit some operations by general aviation (nonscheduled, noncommercial) users of the Airport during the nighttime hours with certain specific aircraft types that have noise characteristics similar to the noise characteristics of aircraft that can operate as "Class E" aircraft, as that term is defined in the Access Plan. The AIRLINE does now, or may during the term of this LEASE, operate Class E aircraft at the Airport; nevertheless, the AIRLINE agrees that the limitations on hours of operations contained in this Section shall be applicable to all of its operations at the Airport, including its Class E operations.

The AIRLINE further acknowledges that there is a rational basis for the COUNTY to distinguish between general aviation operations and regularly scheduled operations by Class E (or noise equivalent) aircraft during the nighttime hours, and that this distinction does not constitute unlawful or unjustly discriminatory action by the COUNTY in its operation and management of the Airport. The COUNTY agrees that this provision is, and during the term of this LEASE shall be, included in all leases, operating agreements or

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

other service operating agreements between the COUNTY and any person conducting regularly scheduled commercial operations at the Airport.

- C. **Aircraft Types.** The AIRLINE agrees that it will not operate any aircraft at the Airport unless and until that aircraft type has been certified and qualified for operation by the COUNTY in accordance with the provisions and procedures of the Access Plan. The AIRLINE further agrees that it will abide by all aircraft-type restrictions and limitations contained in the Access Plan, as amended, or as it may hereafter be amended, and any other restrictions on aircraft types which may hereafter be adopted by the Board of Supervisors of the County of Orange.

The AIRLINE shall ensure that it maintains staffing levels during all operational hours, including irregular operations, that are sufficient to retrieve baggage from the baggage make-up carrousel and/or piers in order to prevent the inefficient use of the in-line baggage handling system in a fully automated mode and to prevent the system from initiating a "die-back" situation, which may require the COUNTY to intercede manually and/or cause additional staffing by the COUNTY, its contractors, or TSA staff to initiate baggage screening mitigation procedures as a result of baggage stacking up on the make-up carrousel and/or piers. The AIRLINE shall not initiate any procedures or work rules that, as determined by the Director, will negatively impact the in-line BHS without the prior written approval of the COUNTY and without concurrence from TSA. The COUNTY reserves the right to recover any costs from the AIRLINE that may result from the AIRLINE's failure to comply with this Section of the LEASE.

The AIRLINE shall bear all costs and any other expenses related to the prohibited entry of such oil, fuel, or other Hazardous Substances into said drainage systems prohibited by any applicable Environmental Law.

The AIRLINE shall provide all notices required pursuant to the SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986, CAL. HEALTH & SAFETY CODE § 25249 *et seq.* The AIRLINE shall provide prompt written notice to the COUNTY within three (3) days of receipt of all written notices of violation of any applicable Environmental Law received by the AIRLINE.

### SECTION 7.02 SPILL RESPONSE PLAN

Airlines and fueling companies are required to provide (separately or collectively) a Local Spill Response Action Plan to address specific spill response management. Airlines are encouraged to coordinate response efforts between the airlines and fueling contractors. At a minimum, the plan should address the following:

- a) Response team organization, members, and responsibilities;
- b) Spill response procedures (including notifications);
- c) Personnel training;
- d) Personal protective equipment; and
- e) Spill kit inventory and management

The AIRLINE shall immediately notify the Airport Director and the AOC of any emergency posing a threat to the safety or security of any persons or property at the Airport, including but not limited to any fire, accident, serious injury or property damage, or spill or release of fuel, lubricants, solvents, sewage, Hazardous Substances, or any Non-Storm Water Discharge. The AOC can be reached by calling (949) 252-5000 or picking up any white telephone located in the terminal buildings. The AIRLINE is responsible to mitigate such spills and perform any remediation necessary to satisfy the applicable federal, state, or local oversight agencies. If COUNTY personnel, equipment, or third party services are needed to support mitigation, the COUNTY will be reimbursed by the AIRLINE for labor, equipment, and third party costs for all services provided. In addition to reimbursing the COUNTY for the costs of all services provided by third parties to mitigate such spills, the AIRLINE shall pay to County administrative costs in the amount of one thousand dollars (\$1,000) per incident. Said costs shall be paid by the AIRLINE within fifteen (15) days of receipt of an invoice for costs from the COUNTY.

To the fullest extent authorized by law, the AIRLINE shall be liable to the COUNTY for any and all claims, demands, damages, fines, or penalties of any nature whatsoever which may be imposed upon the COUNTY due to the AIRLINE's violation of any governmental rules, environmental laws, regulations, or standards as now or may hereafter be promulgated or enacted, related to AIRLINE's operation under this LEASE, including, but not limited to, the payment of any fines

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

or penalties arising from any breach of security, fire, emergency, accident, or spill or release of fuel, lubricants, solvents, sewage, Hazardous Substances, Non-Storm Water Discharge, or from any other violations caused directly or indirectly by the act, omission, negligence, abuse, or carelessness on the part of the AIRLINE, its employees, subtenants, agents, or suppliers related to AIRLINE's operation under this LEASE.

**SECTION 7.03 ENVIRONMENTAL INDEMNIFICATION**

To the fullest extent authorized by law, the AIRLINE shall indemnify, defend, and hold the COUNTY, its officers, and employees harmless from and against any and all applicable Environmental Law claims, judgments, damages, penalties, fines, costs, liabilities, losses, orders, and lawsuits arising out of any actions or inaction by the AIRLINE, the AIRLINE's operations at the Airport or any action arising from and which involve the AIRLINE's officers, agents, subcontractors, and employees, including the cost of defense arising therefrom, including but not limited to the following:

- (1) The AIRLINE's placing, disposing, allowing or releasing of Hazardous Substances upon or within the Airport including any such claims, demands, liabilities and/or obligations related to the AIRLINE's release of Hazardous Substances on the Airport since the time the AIRLINE first occupied the Airport.
- (2) The AIRLINE's release of Hazardous Substances upon or within the Airport.
- (3) The AIRLINE's violation of any applicable Environmental Law, except that the AIRLINE's obligations under this paragraph shall not extend to known and pre-existing conditions that are, as of the date of this LEASE, the subject of investigation and remediation by the COUNTY or others, or remediation conditions that arise from operations of third parties that are not affiliated with the AIRLINE that take place off of the Airport. For purposes of this provision, a party shall be deemed to be affiliated with the AIRLINE if it is an employee, officer, director, agent, subtenant, contractor or subcontractor of the AIRLINE or if it is controlled by or under common control with the AIRLINE.
- (4) The AIRLINE's causing or allowing any discharge into the Airport Drainage System that is prohibited by Section 7.01 of this LEASE.

This indemnification includes, without limitation, reasonable attorney's fees/costs and other costs incurred by the COUNTY in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental entity because of any Hazardous Substances being present in the soil or groundwater under the Airport. However, the AIRLINE's indemnity obligation shall not apply in the event of any claims for any loss, damage or expense arising from the sole or active negligence or willful misconduct of the COUNTY or its agents, servants or independent contractors who are directly responsible to the COUNTY.

## JOHN WAYNE AIRPORT CERTIFICATED PASSENGER AIRLINE LEASE

In the event the indemnitees described hereinabove are named as defendants or respondents in any lawsuit or administrative proceeding, the AIRLINE shall, at the request of the COUNTY, represent the indemnitee with qualified counsel approved in writing by the COUNTY.

In the event that a monetary judgment is awarded against the COUNTY and the AIRLINE because of the concurrent negligence of the COUNTY and the AIRLINE or their respective officers, subcontractors, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Both the COUNTY and the AIRLINE agree that neither party shall request a jury apportionment. Nothing stated in this LEASE and in this indemnity obligation shall be construed as authorizing any award of attorney's fees/costs in any action to enforce the terms of this LEASE.

The rights and obligations set forth in this indemnification shall survive the termination of this LEASE.

### **SECTION 7.04      CONFLICT WITH ENVIRONMENTAL LAW PROVISIONS**

In the event that any of the terms of these environmental requirements codified in this Article conflict with any other terms of this LEASE, the environmental requirements contained in this Article shall apply.

### **SECTION 7.05      ENVIRONMENTAL STEWARDSHIP**

- A. All AIRLINE facilities and improvements shall meet the Airport's Tenant Design and Construction Guidelines as well as Architectural Guidelines, as may be amended from time to time. All structures shall meet the County's Green Building Ordinance and CALGreen Tier 1. If the AIRLINE installs any new infrastructure, the AIRLINE is required to use the Envision pre-assessment checklist to guide the sustainability efforts early in the project planning and strive to achieve a level of Gold; these projects are not required to obtain Envision certification.
  
- B. The AIRLINE shall support the COUNTY's Environmental Compliance and Stewardship program through participation in various efforts or implementation of Airport plans as applicable. COUNTY shall provide AIRLINE advance notice of any proposed changes to the following plans that may affect AIRLINE operations:
  - (1) Air Quality Improvement Plan (AQIP) and Memorandum of Understanding (MOU) with the South Coast Air Quality Management District (SCAQMD).
  - (2) Climate Action Plan.
  - (3) Waste Management Plan.
  - (4) Storm Water Pollution Prevention Plan.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

- (1) Use equipment and appliances that are ENERGY STAR rated or equivalent and EPA Water Sense or equivalent, as applicable when replacing existing equipment and appliances.
  - (2) Use high-efficiency light fixtures and bulbs (including compact fluorescents) when replacing or installing new fixtures and bulbs.
  - (3) Install sensors in office areas to turn off lights when unoccupied when these areas are being renovated or updated.
  - (4) Install energy-efficient heating and cooling equipment when replacing or upgrading.
  - (5) Use energy-efficient computers and servers when replacing this equipment.
  - (6) Select equipment with variable speed motors and fan drives, when possible.
  - (7) Use paperless ticket technology, when possible.
- D. The AIRLINE shall implement and support the following environmental policies:
- (1) Adopt and adhere to the following GSE requirement: GSE associated with commercial operations shall achieve fleet average oxides of nitrogen (NOx) emission factors of 1.7 and 0.9 grams per brake horsepower hour (g/bhp-hr) by January 1, 2023 and January 1, 2031, respectively, as calculated in accordance with the Airport's AQIP and MOU with SCAQMD. The AIRLINE shall develop and provide to JWA a GSE improvement plan to demonstrate how the GSE requirement will be met within 30 days of LEASE execution.
  - (2) The AIRLINE shall utilize single/reduced engine taxiing procedures, when feasible and appropriate under the circumstances.
  - (3) The AIRLINE has been provided a copy of the COUNTY's Environmentally Preferable Purchasing Policy (2012) and shall consider developing a similar policy that addresses the AIRLINE's procurement of goods and services as applicable.
  - (4) The AIRLINE shall affirm its commitment to Environmental Sustainability at the Airport. The Policy commitment shall be submitted to the JWA within 30 days of LEASE execution.
  - (5) Upon request, the AIRLINE shall provide reports necessary for environmental compliance, regulatory requirements and airport mitigation measure obligations

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

including but not limited to GSE data, fuel usage, spills, and business emergency plans.

**SECTION 7.06 ANTI-IDLING POLICY**

Within six months of LEASE execution, AIRLINE must develop, implement and submit to the Airport Director for approval a fleet-wide anti-idling policy. At a minimum, the anti-idling policy shall include the requirement that vehicle engines shall be turned off when vehicles are not occupied, and that occupied vehicles be turned off after no more than a five-minute idling period. AIRLINE's policy shall also include airfield GSE, ground transportation vehicles, and all sublessee and third-party vehicles that enter Airport property at the direction of the AIRLINE.

**ARTICLE VIII – CONSTRUCTION AND IMPROVEMENTS**

**SECTION 8.01 CONSTRUCTION AND/OR ALTERATION BY THE COUNTY**

The COUNTY may alter, repair, maintain, remodel, expand, remove or improve any of the facilities at the Airport or any of its appurtenances.

In addition, the COUNTY may reassign or relocate the AIRLINE's Exclusive Use Area. The COUNTY shall provide the AIRLINE advance notice of such action and shall make every reasonable effort to provide the AIRLINE alternative space that is reasonably comparable for the AIRLINE's operations at the same rates and charges that the AIRLINE would have paid for the space being surrendered. In the event no alternative space is available, the AIRLINE shall surrender its space promptly to the COUNTY, provided that the AIRLINE shall be reimbursed for the reasonable cost of any such reassignment, reallocation or relocation and the cost of the AIRLINE's unamortized investment, if any, as documented by the AIRLINE to the satisfaction of the COUNTY and mutually agreed to by the Airport Director and AIRLINE. All of such costs, as well as the COUNTY's cost of providing the alternative space aforementioned, shall be included in the cost of the particular project requiring such reassignment, reallocation or relocation.

**SECTION 8.02 IMPROVEMENTS BY THE AIRLINE**

The AIRLINE shall not perform any construction upon the Leased Premises nor shall the AIRLINE modify, alter or remove any permanent improvements lying within the Leased Premises without prior written approval of the COUNTY. Any construction, modifications, alterations or removal of any permanent improvements by the AIRLINE shall be at the AIRLINE's expense.

- A. **Consent Required From the COUNTY.** No structures, improvements, or facilities shall be constructed, erected, altered, removed or made within the Leased Premises without prior written consent of the COUNTY, which consent may be withheld or conditioned in the COUNTY's discretion. Minor repairs, replacement and maintenance proposed for the Leased Premises, the cost of which does not exceed one hundred seventy five thousand dollars (\$175,000) annually, shall be approved by the Airport Director. All other

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

structures, improvements, facilities, repairs, replacement, removal and maintenance items shall be approved by the Board of Supervisors.

- B. **Compliance with Plans and Construction Standards.** All improvements constructed by the AIRLINE within the Leased Premises shall be constructed in strict compliance with detailed plans and specifications approved by the Airport Director. All construction shall be conducted in a good and workmanlike manner and shall conform to applicable building codes, rules, regulations and the Airport's architectural standards as contained in reference document "John Wayne Airport, Architect and Engineer Guide," which can be provided by Airport upon request. All work shall be done in conformity with Airport approved plans, valid building and other necessary permits and shall be acceptable to the COUNTY and the appropriate governmental entity inspecting such work. The AIRLINE shall be responsible for filing Form 7460 for any construction and/or height of construction equipment with the FAA, if required.

All improvements constructed by the AIRLINE, including the plans and specifications therefor, shall conform in all respects to the applicable statutes, ordinances, building codes, rules and regulations of the COUNTY and such other governmental authority as may have jurisdiction. The Airport Director's approval shall not constitute a representation or warranty as to such conformity, which shall remain the AIRLINE's responsibility. The AIRLINE, at its own cost and expense, shall procure all permits necessary for such construction.

- C. **Insurance Requirements.** The AIRLINE shall obtain comprehensive public liability insurance during construction. If the construction is done by an independent contractor, insurance shall be procured by the contractor in the name of the AIRLINE and the COUNTY. All insurance shall be in the limits and coverages acceptable to the COUNTY's Risk Management Services.
- D. **Noninterference.** The AIRLINE warrants that it or its contractor shall in no way delay, cause delays to or interfere with any Airport operations or other contractors working in the terminal or on the Airport, except with the prior written approval of the Airport director, as set out herein.. The AIRLINE agrees to hold the COUNTY harmless from the cost of any time lost by the COUNTY or any damages to the COUNTY due to the actions or failure to act of the AIRLINE or its contractor.
- E. **Trailers and Modular Structures.** All improvements constructed by the AIRLINE shall be of a permanent nature. Trailers and modular buildings are prohibited on the Leased Premises. This provision shall not apply to the use of the COUNTY approved temporary modulars or trailers during construction. Upon completion of construction, all trailers or modulars must be immediately removed from the Leased Premises.
- F. **The AIRLINE's Cost and Expense.** All renovation or construction by the AIRLINE pursuant to this Section shall be at the AIRLINE's sole cost and expense. The AIRLINE shall keep its existing or future Exclusive Use Area and the improvements constructed

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

thereon free and clear of all liens and shall pay all costs for labor and material arising out of such construction and shall hold the COUNTY harmless from any liability in respect thereto. The AIRLINE shall have the right to contest any and all liens filed against its existing or future Exclusive Use Area. The AIRLINE further agrees that the COUNTY shall have the right to post notices of non-responsibility as provided by Sections 3094 and 3129 of the California Civil Code.

- G. **Ownership of Improvements.** All improvements and facilities, exclusive of trade fixtures, constructed or placed within the Leased Premises by the AIRLINE must, upon completion, be free and clear of all liens, claims, or liability for labor or material and at the COUNTY's option shall become the property of the COUNTY at the expiration of this LEASE or upon earlier termination hereof. The COUNTY retains the right to require the AIRLINE, at the AIRLINE's cost, to remove any or all improvements located within the Leased Premises at the expiration or termination hereof.

**SECTION 8.03 AIRLINE REIMBURSEMENT**

In the event the COUNTY should require the Leased Premises, or any portion thereof, for any Airport purpose and removes any portion of the AIRLINE's Leased Premises from this LEASE or terminates the LEASE for convenience pursuant to Section 2.03, the COUNTY shall reimburse the AIRLINE for improvements completed during the term of this LEASE.

Compensation for improvements located on the Leased Premises shall be calculated by means of the following formula:

$$\text{COMPENSATION} = A \times \frac{B}{C}$$

- A = The AIRLINE's actual leasehold improvement construction costs submitted in accordance with Section 8.07 in this LEASE.
- B = Number of full months remaining in Lease Term.
- C = Number of full months between the date the AIRLINE completed construction of leasehold improvements and the date the LEASE would expire by its terms if the COUNTY did not exercise its right to early termination.

The AIRLINE shall submit to the COUNTY within sixty (60) days of completion of construction of any leasehold improvement, notifications of completion of construction and submit detailed supporting documentation of construction costs together with "As-Built Documents" and "Record Documents" as required by Section 8.07 of this LEASE. The AIRLINE acknowledges and agrees if the AIRLINE fails to submit notifications and supporting documentation for any such leasehold improvements in a timely manner, the AIRLINE waives its right to compensation for such improvements.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

**SECTION 8.04 EXCLUSIVE REMEDY**

The compensation provided pursuant to Section 8.03 in this LEASE shall be the AIRLINE's sole and exclusive remedy and form of compensation, costs or damages, including but not limited to, the eminent domain law and inverse condemnation (CAL. CODE CIV. PROC. §§1230.010 *et seq.*), and Relocation Assistance benefits (CAL. GOV. CODE §§7260 *et seq.*), due to termination, re-entry or acquisition of the leasehold by the COUNTY.

The AIRLINE agrees that exercise by the COUNTY of its termination rights hereunder shall not be construed as a taking by the COUNTY of any part of the Leased Premises, nor of the AIRLINE's rights under this LEASE, nor shall the AIRLINE, except as provided herein, be entitled to payment for any loss of goodwill, income, moving expenses or other amount because of partial or full termination of this LEASE.

**SECTION 8.05 AIRLINE'S ASSURANCE OF CONSTRUCTION COMPLETION**

Prior to commencement of construction of approved facilities the AIRLINE shall furnish to the COUNTY evidence that assures the COUNTY that sufficient monies will be available to the AIRLINE and the COUNTY to complete the proposed construction. The amount of money available shall be at least the total estimated construction cost. Such evidence may take one of the following forms:

- A. Completion Bond issued to the COUNTY as obligee.
- B. Irrevocable letter of credit issued to the COUNTY that will remain in effect until the COUNTY acknowledges satisfactory completion of construction.
- C. Any combination of the above.

All bonds and letters of credit must be issued by a surety company, financial institution or advising bank qualified and admitted to conduct business in the State of California and issued in an approved form approved by the COUNTY. All bonds and letters of credit shall insure faithful and full observance and performance by the AIRLINE of all terms, conditions, covenants and agreements relating to the construction of improvements within the Leased Premises.

It is not the intent of the contracting parties herein to create a third party beneficiary, and nothing in this Section shall be construed to do so.

**SECTION 8.06 MECHANICS LIENS OR STOP-NOTICES**

The AIRLINE shall at all times indemnify and hold the COUNTY harmless from all Mechanics Liens, Stop-Notices, claims, losses, demands, damages, cost, expenses or liability costs for labor or materials in connection with construction, repair, alteration, or installation of structures, improvements, equipment, or facilities within the Leased Premises undertaken by the AIRLINE, and from the cost of defending against such claims, including attorneys' fees and costs.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

In the event a mechanics lien or stop-notice is imposed upon the Leased Premises, the AIRLINE shall either:

- A. Record a valid Release of Lien; or
- B. Procure and record a bond in accordance with Section 3143 of the California Civil Code, which frees the Leased Premises from the claim of the lien or stop-notice and from any action brought to foreclose the lien.

Should the AIRLINE fail to accomplish either of the two (2) optional actions above within fifteen (15) days after the filing of such a lien or stop-notice, the LEASE shall be in default and shall be subject to immediate termination.

**SECTION 8.07 RECORD DOCUMENTS, AS-BUILT DOCUMENTS, AND CONSTRUCTION COSTS**

Within sixty (60) days following completion of any improvement within the Leased Premises, the AIRLINE shall furnish the Airport Director a complete package of "As-Built Documents" and "Record Documents", which include but are not limited to construction documents, specifications, cost estimates, engineering studies and calculations. The aforementioned information shall be submitted on two (2) thumb drives containing digital copies of the "As-Built Documents" and "Record Documents", organized in a detailed, logical, and comprehensible folder structure, which is in a form that is usable and accepted by the COUNTY, to the COUNTY's satisfaction, as described below, unless otherwise allowed by the Airport Director.

- A. Drawings and Models:
  - 1. All 2-D and 3-D architectural, engineering, design, and/or construction drawing and/or modeling files for the project shall be completed using AutoCAD 2019 and REVIT 2019 or a newer version of either software if approved by John Wayne Airport.
  - 2. All geographic data, spatial analysis, geographic information system (GIS) mappings, drawings, exhibits, and/or figures for the project shall be completed using Environmental Systems Research Institute (ESRI) ArcGIS.
  - 3. All 2-D and 3-D drawing and/or modeling files created via computer aided design and drafting (CADD), building information modeling (BIM), and/or GIS for the project shall conform to the John Wayne Airport CADD/BIM/GIS standards and specifications.
  - 4. In addition to the 2-D and 3-D drawing and/or modeling files indicated above, a PDF format (scaled to ARCH E1 format where applicable) of those drawings, exhibits, figures, etc. shall be generated and submitted digitally.
- B. Documents and Reports:
  - 1. All specifications, reports and/or studies (e.g. geotechnical report, etc.), calculations, and other project information (e.g. construction submittals, operations and maintenance

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

(O&M) manuals, warranties, etc.) for the project shall be completed using MS Office suite applications and also generated and submitted digitally in a PDF format.

*Note: "Record Documents", e.g. record drawings, specifications, calculations, etc., shall be prepared, stamped, signed by the Architect and/or Engineer of Record for the project and shall reflect all updates and/or modifications that were approved during design and construction, i.e. separate from the as-built documents, which include contractor redlines, contract changes, etc. Refer to the "John Wayne Airport Construction Standards" for additional information.*

In addition, two (2) sets of hard prints of the stamped and signed record drawings for the project, as described above, must be furnished by the AIRLINE with the thumb drives containing the "As-Built Documents" and "Record Documents". Basic specifications, standards, and requirements for BIM, CAD, and/or GIS produced information at the Airport can be located on the [www.ocair.com](http://www.ocair.com) website or provided by the Airport upon request.

Furthermore, the AIRLINE shall furnish the Airport Director with an itemized statement of the actual, direct construction costs of such improvement. The construction costs may include actual, direct fees paid to contractors, architects, engineers, surveyors, laborers, and suppliers, or permit fees required by governmental agencies to allow construction. Construction costs shall not include indirect costs such as financing costs, holding costs, legal fees, interest, administrative and overhead expenses, bond premiums, or developer fees. The statement of cost shall be sworn to and signed by the AIRLINE or its responsible agent under penalty of perjury. The AIRLINE must obtain the Airport Director's approval of acceptance of the "As-Built Documents" and "Record Documents" and the form and content of the itemized statement.

#### **SECTION 8.08      DAMAGE TO OR DESTRUCTION OF IMPROVEMENTS**

The AIRLINE shall be responsible for any damage caused by the AIRLINE, or the AIRLINE's aircraft, equipment, employees, agents, visitors or suppliers, to common use areas of the Terminal or Airport facilities, including but not limited to runways, taxiways, access roads, navigational aids, apron areas and loading bridges. Should such damage require immediate repairs or replacement and the AIRLINE is unable to respond immediately to complete said repairs or replacement, the Airport Director may cause to be made or make any necessary repairs or replacements and the cost thereof shall be paid by the AIRLINE. Said cost shall include all labor, materials, equipment costs and an administrative fee equal to fifteen percent (15%) of the sum of those items. Said cost shall be paid by the AIRLINE within fifteen (15) days of receipt of an invoice for costs from the Airport Director.

In the event of damage to or destruction of the AIRLINE-owned or constructed buildings, facilities or improvements located within the Leased Premises or in the event the AIRLINE-owned or constructed buildings, facilities, or improvements located within the Leased Premises are declared unsafe or unfit for use or occupancy by the COUNTY or any other public entity with jurisdiction to make and enforce such a declaration, the AIRLINE shall, within thirty (30) days, commence and diligently pursue completion of the repair, replacement or reconstruction of improvements to

## JOHN WAYNE AIRPORT CERTIFICATED PASSENGER AIRLINE LEASE

the same size and floor area as they existed immediately prior to the event causing the damage or destruction, as necessary to permit full use and occupancy of the Leased Premises for the purposes required by the LEASE. Repair, replacement or reconstruction or improvements within the Leased Premises shall be accomplished in a manner and according to plans approved by the Airport Director. Except as otherwise provided herein, termination of this LEASE shall not reduce or nullify the AIRLINE's obligation under this paragraph. With respect to damage or destruction to be repaired by the COUNTY or which the COUNTY elects to repair, the AIRLINE waives and releases its rights under California Civil Code Sections 1932(2) and 1933(4).

### **SECTION 8.09 HEALTH AND SAFETY**

The AIRLINE shall comply with all applicable California Occupational Safety & Health Administration (Cal/OSHA) requirements, and all federal, state or local safety orders. The AIRLINE shall post on the Lease Premises and at all construction sites a copy of "Construction Safety Orders" and "General Industry Safety Orders" issued by the California State Division of Industrial Safety.

The AIRLINE shall, within thirty (30) days after the execution of this LEASE, submit to the COUNTY a comprehensive Safety Plan outlining the code of safe work practices and procedures. The plan must include emergency response procedures, notification procedures, and personnel training procedures. The AIRLINE shall convene safety meetings at regularly scheduled times as described in its Safety Plan and as required by Cal/OSHA. The AIRLINE and/or AIRLINE's contractor shall submit, prior to the start of any tenant improvements, the AIRLINE or AIRLINE's contractor required Cal/OSHA Safety Plan for approval by the Airport.

The AIRLINE shall submit to the COUNTY an annual report detailing the status of all permits required and issued to the AIRLINE by CAL OSHA or any other federal, state or local government agency. Said report shall be due on or before January 31 of each calendar year.

## **ARTICLE IX - ACCOMMODATION**

### **SECTION 9.01 JOINT USE REQUIREMENT**

The AIRLINE and/or other airlines may be provided the opportunity by the COUNTY to initiate or expand service at the Airport and may have a need or requirement for certain types of Airport space and facilities. Such initiation or expansion of service may be reasonably implemented by the Airport Director based upon provisions of the Access Plan.

The AIRLINE agrees to make every reasonable effort to offer to any airline initiating service at the Airport the opportunity to share use of its Exclusive Use Area. In determining whether the use of another incoming airline initiating service at the Airport is reasonable and possible, the AIRLINE will have the right to consider the compatibility of the proposed operations of those with whom the AIRLINE has subleases or handling arrangements, the AIRLINE's existing and future flight schedules, the need for labor cooperation, the adverse competitive impacts resulting from the presence of the other aircraft operator on the AIRLINE's Exclusive Use Area and the

## JOHN WAYNE AIRPORT CERTIFICATED PASSENGER AIRLINE LEASE

availability of other such space at the Airport. Should the AIRLINE deny another airline initiating service at the Airport the opportunity to use the AIRLINE's Exclusive Use Area, the COUNTY may review the AIRLINE's space usage, and should it reasonably determine, considering all the factors noted herein (including the AIRLINE's reasons for such refusal), that the AIRLINE unreasonably refused usage by such other airline, it may require the AIRLINE to permit the other airline to use the AIRLINE's Exclusive Use Area, subject to the initiating airline executing an agreement with the AIRLINE acceptable to the COUNTY that complies with the material terms and conditions of this LEASE, including the indemnification and insurance provisions.

The AIRLINE shall, by separate agreement with such certificated and/or commuter airline as the COUNTY may designate, or by other arrangement as provided by the Airport Director, provide space and/or services within Leased Premises to accommodate said airlines' operation. Any said agreement for joint use shall be subject to the Airport Director's approval and subject to the terms and conditions of this LEASE, including the indemnification and insurance provisions.

The AIRLINE agrees that, in the event it subleases its Leased Premises to another airline, any sublease rental rate shall be calculated on a per square foot basis.

Sublease per square foot rental rates for sublet space shall reflect a reasonable pro-rata allocation of the AIRLINE's actual and direct costs related to said space and shall be based upon the following factors:

- A. The square foot per annum rental rate currently paid by the AIRLINE to the COUNTY for space to be sublet; and
- B. A reasonable square foot charge to compensate the AIRLINE for the pro-rata costs per square foot applicable to the AIRLINE improvement costs, maintenance costs, and a reasonable administrative fee.

The annual sublease rental rate shall not exceed two (2) times the square foot per annum rental rate currently paid by the AIRLINE to the COUNTY unless the AIRLINE can demonstrate to the satisfaction of the Airport Director that its costs for the subleased premises, exclusive of the administrative fee, justify a higher rate.

### ARTICLE X - ASSIGNMENT AND SUBLEASE

#### SECTION 10.01 ASSIGNING, SUBLETTING, AND TRANSFERRING

The provisions of this Section are subject to, and subordinate to the limitations of Section 5.04 of this LEASE.

- A. **Transfers.** The AIRLINE shall not transfer, assign, sublet, or hypothecate (hereinafter referred to as "Transfer") any interest of the AIRLINE in the Leased Premises without the prior written approval of the COUNTY. The AIRLINE shall give the COUNTY thirty (30)

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

days prior written notice of all proposed Transfers. The AIRLINE shall not make any such Transfers for a period longer than the remaining term of the LEASE.

If the COUNTY approves such Transfers, such approval does not constitute a waiver of any of the terms of the LEASE. All Transfer documents shall be consistent with the terms, covenants, and conditions of the LEASE, and in the event of any inconsistency, the provisions of this LEASE shall govern.

If the AIRLINE is a corporation, an unincorporated association, or a partnership, Transfers include the acquisition by any person other than the AIRLINE of any stock or interest in said corporation, unincorporated association, or partnership in the aggregate amount of fifty-one percent (51%) or more.

The failure by the AIRLINE to obtain the prior written approval by the COUNTY of any Transfer of the LEASE or any interest in the Leased Premises shall constitute a material breach of this LEASE by, and shall not confer any leasehold rights upon the transferee. Such failure shall be grounds for termination of this LEASE for default pursuant to Section 11.02.

B. **Conditions of the COUNTY Approval.** The COUNTY agrees that it will not arbitrarily withhold consent to any Transfer, but the COUNTY may withhold consent at its sole discretion if any of the following conditions exist:

- (1) The AIRLINE, its successors or assigns are in default of any term, covenant or condition of this LEASE, whether notice of default has or has not been given by the COUNTY.
- (2) The prospective subtenant, assignee or transferee has not agreed in writing to keep, perform and be bound by all the terms, covenants, and conditions of this LEASE.
- (3) The prospective subtenant, assignee or transferee is not financially capable or not experienced in performing the LEASE obligations, as determined by the Airport Director.
- (4) Subtenant's use is in conflict with the terms of this LEASE.
- (5) All the terms, covenants and conditions of Transfer, including the consideration therefore, of any and every kind, have not been revealed in writing to the Airport Director.
- (6) Any construction required of the AIRLINE as a condition of this LEASE has not been completed to the satisfaction of the COUNTY.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

- (7) The AIRLINE has not provided the Airport Director with a copy of all documents relating to the Transfer, including, but not limited to, appraisals, notes, trust deeds, title reports, escrow instructions, *etc.*
- (8) The AIRLINE attempts to hypothecate the leasehold for an amount greater than the cost of new improvements to be constructed on the Leased Premises. Hypothecation of the leasehold shall not be permitted for any reason other than to obtain loan proceeds necessary to construct new improvements on the Leased Premises.

- C. **Affiliate Transactions.** The COUNTY has adopted in the Access Plan policies and regulations regarding transactions and aircraft operations at the Airport involving affiliations of commercial airlines operating, or desiring to operate, at the Airport ("the affiliate policy"). The AIRLINE acknowledges that the COUNTY considers the affiliate policy to be an important and significant policy in support of the COUNTY's regulation of the Airport.

The AIRLINE acknowledges that there is a rational basis for this policy under the operational and historical circumstances affecting the Airport, that under such circumstances this policy maintains appropriate equity between the rights and privileges of competing commercial operators using the Airport, and that the affiliate policy does not constitute unlawful or unjustly discriminatory action by the COUNTY in its operation and management of the Airport. The AIRLINE agrees to comply fully and completely with the affiliate policy and all related regulations that appear in the Access Plan and/or this LEASE.

Any affiliate transaction described and defined in the Access Plan, and any affiliate transaction between the AIRLINE and any other person which then has a written agreement with the COUNTY to conduct regularly scheduled air service operations at the Airport, shall constitute a Transfer within the meaning of Paragraph A, above. In the event an affiliate transaction involving the AIRLINE is initiated, then not later than the time when the affiliate transaction is publicly announced:

- (1) The AIRLINE shall notify the Airport Director of the fact of the initiation of the affiliate transaction.
- (2) If the affiliate transaction is initiated by the AIRLINE, the AIRLINE shall promptly provide to the Airport Director copies of all agreements, or written offers or proposals, made with respect to the transaction, and copies of all documents filed with federal authorities with respect to the transaction. If the affiliate transaction is initiated by some other person in respect of the AIRLINE, the AIRLINE shall promptly and continuously provide such documentation or other information regarding the transaction as may be available to the AIRLINE.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

- (3) In addition to all other obligations of the AIRLINE, if the affiliate transaction involves the AIRLINE and any other person which then has a written agreement with the COUNTY to conduct regularly scheduled air service operations at the Airport, the AIRLINE shall promptly arrange to negotiate with the Airport Director regarding the terms and conditions upon which the Director would recommend consent by the Board of Supervisors to a Transfer of this LEASE, or Transfer of the written agreement(s) between the other person or entity involved in the affiliate transaction and the COUNTY.

Notwithstanding any other provision of this LEASE, the LEASE may be terminated by the COUNTY on thirty (30) days' notice to the AIRLINE without further obligation of the COUNTY, and without any liability of the COUNTY to the AIRLINE whatsoever, if:

- (4) The AIRLINE fails to comply with Paragraph C, of this Section; or if
- (5) The Airport Director fails to make a favorable recommendation to the Board of Supervisors regarding the Transfer within sixty (60) days after initiation and public announcement of the affiliate transaction, which contains terms and conditions agreed to by the AIRLINE and its affiliate(s); or if
- (6) The Board of Supervisors fails to consent to the Transfer on terms and conditions which have been accepted by the AIRLINE within thirty (30) days after receipt of the recommendations of the Airport Director.

D. **Bankruptcy Transaction.** If the AIRLINE assumes this LEASE or proposes to assign the same pursuant to the provisions of the U.S. BANKRUPTCY CODE, 11 U.S.C. §101 *et seq.*, then notice of such proposed assignment shall be given to the COUNTY. The following information shall be provided to the COUNTY:

- (1) The name and address of proposed assignee;
- (2) All of the terms and conditions of such offer; and
- (3) Adequate assurance to the COUNTY of the proposed assignee's future performance under the LEASE, including, without limitation, the assurance referred to in the U.S. BANKRUPTCY CODE, 11 U.S.C. §365(b)(3).

Any person or entity to which this LEASE is assigned pursuant to the provisions of the U.S. BANKRUPTCY CODE, 11 U.S.C. §101 *et seq.*, shall be deemed without further act or deed to have assumed all of the obligations arising under this LEASE on and after the date of such assignment. Any such assignee shall upon demand execute and deliver to the COUNTY an instrument confirming such assumption.

E. **Non-Transferable Privileges.** Aircraft operations and ADDs authorized by Section 5.05 in this LEASE and the Access Plan are not property interests of the AIRLINE and are

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

non-transferable in any form, and as such, are not subject to sale, assignment, hypothecation, and transfer by the AIRLINE under the terms of this Section. Any such attempted hypothecation, assignment, encumbrance, sale or other such attempted transfer of operations, privileges or ADDs is in violation of the public policy of the COUNTY and shall be void and shall constitute a breach and default of this LEASE.

**SECTION 10.02 SUCCESSORS IN INTEREST**

Unless otherwise provided in this LEASE, the terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators, and assigns of all parties hereto, all of whom shall be jointly and severally liable hereunder.

**ARTICLE XI - TERMINATION AND DEFAULT**

**SECTION 11.01 TERMINATION OF PRIOR AGREEMENTS**

It is mutually agreed that this LEASE shall terminate and supersede any prior leases or agreements between the parties hereto for the purpose of commercial air transportation and all related activities of the AIRLINE at the Airport.

**SECTION 11.02 TERMINATION FOR DEFAULT**

The COUNTY may terminate this LEASE and all of its obligations hereunder with prior written notice to the AIRLINE and may exercise all rights of entry for default and breach if the AIRLINE fails to perform any of its obligations under this LEASE, including, but not limited to:

- B. A general assignment for the benefit of creditors and any Transfer without the prior written approval by the COUNTY;

- D. The voluntary vacation or abandonment by the AIRLINE of the conduct of air transportation business at the Airport;
- E. The violation by the AIRLINE of any of the terms of any insurance policy referred to in the LEASE;

References to the termination of the LEASE in this LEASE shall include termination by reason of expiration.

**SECTION 11.04      DISPOSITION OF ABANDONED PERSONAL PROPERTY**

If the AIRLINE abandons or quits the Leased Premises or is dispossessed thereof by process of law or otherwise, title to any personal property belonging to the AIRLINE and left on the Leased Premises fifteen (15) days after such event shall be deemed to have been transferred to the COUNTY. The COUNTY shall have the right to remove and to dispose of such property without liability therefor to the AIRLINE or to any person claiming under the AIRLINE, and shall have no need to account therefor. Personal property left on the Leased Premises after termination, expiration, or abandonment of the LEASE shall not be construed as giving the AIRLINE possession of the Leased Premises during the fifteen (15) days after termination, expiration or abandonment of the LEASE.

**SECTION 11.05      THE COUNTY'S RIGHT TO RE-ENTER**

The AIRLINE agrees to yield and peaceably deliver possession of the Leased Premises to the COUNTY on the date of termination of this LEASE, whatsoever the reason for such termination.

Upon giving written notice of termination to the AIRLINE, the COUNTY shall have the right to re-enter and take possession of the Leased Premises on the date such termination becomes effective without further notice of any kind and without institution of summary or regular legal proceedings. Termination of the LEASE and re-entry of the Leased Premises by the COUNTY shall in no way alter or diminish any obligation of the AIRLINE under the LEASE terms and shall not constitute an acceptance or surrender.

**JOHN WAYNE AIRPORT  
CERTIFICATED PASSENGER AIRLINE LEASE**

The AIRLINE waives any and all right of redemption under any existing or future law or statute in the event of eviction from or dispossession of the Leased Premises for any lawful reason or in the event the COUNTY re-enters and takes possession of the Leased Premises in a lawful manner.

**ARTICLE XII - SECURITY**

**SECTION 12.01 AIRPORT SECURITY**

The AIRLINE shall comply with all current and applicable Airport, FAA, TSA, CBP, security related rules, regulations, plans, and procedures. The AIRLINE is responsible for fines imposed by any regulatory agency as a result of the AIRLINE's failure to comply with applicable rules, regulations, orders, plans, and procedures regarding airport security.

The AIRLINE employees, subtenants/contractors shall be required to obtain airport security clearance in order to perform work under this LEASE. The AIRLINE must maintain a current, updated list of Authorized Signatories responsible for the Airport-Issued Identification Credential ("Airport ID/Security Credential") process, a list of current Airport ID/Security Credentialed AIRLINE employees and subtenants/contractors, and respond to scheduled and unscheduled audits at the request of the Airport. The AIRLINE employees and subtenants/contractors applying for an Airport ID/Security Credential must successfully complete a Criminal History Records Check ("CHRC") and a Security Threat Assessment ("STA") in accordance with current regulations. The AIRLINE employees and subtenants/contractors must also attend and successfully pass all related Security Identification Display Area ("SIDA") classes and tests for access to secure areas and a driver's permit with an appropriate and valid California Driver's License to drive on the airfield. The AIRLINE must attend all mandatory security related exercises, and monthly security consortium meetings hosted by the Airport.

Said gates and/or doors on the Leased Premises permitting entry to the restricted areas of the Airport shall be locked when not in use and/or under the AIRLINE's constant surveillance. The AIRLINE shall install such security equipment, including, but not limited to, video monitoring equipment, as may be required by the Airport Director to insure compliance with all regulations of the FAA, TSA or other governmental agencies having jurisdiction over Airport security. The AIRLINE shall exercise control over any person or vehicle escorted by the AIRLINE onto restricted or secure areas of the Airport, or to whom an Airport ID/Security Credential was issued by or at the request of the AIRLINE, and ensure that such person or vehicle shall comply with all Airport security regulations.

Criminal History Records Check ("CHRC") and a TSA Security Threat Assessment ("STA"), and the AIRLINE shall pay the applicable fees. Upon successful completion of the background checks, the AIRLINE's designated personnel will be required to attend a SIDA class and pass a written test. Those personnel who may be permitted by the Airport to drive on the Airport Operations Area ("AOA") perimeter road must also complete a Driver's Training class and written test. Airport ID/Security Credentials are not issued until designated AIRLINE personnel have: 1) completed appropriate application forms and submitted proof of identity and employment eligibility, 2) passed both background checks, 3) completed and passed appropriate training and 4) paid an Airport ID/Security credential fee for each applicant. The AIRLINE should anticipate a minimum of fourteen (14) business days to complete the Airport ID/Security Credential process if all requirements listed above are fulfilled by individual Airport ID/Security Credential applicants in a timely manner, but factors outside the Airport's control can contribute to longer durations. If an applicant is applying for a CBP Seal due to their operational need to work international air service operations, this process may take longer. Authorized Signatories must be in constant contact with the Airport's ID/Access Control Office. The AIRLINE's designated personnel must successfully complete the Airport ID/Security Credential acquisition process, unless other arrangements have been approved by the Airport. The AIRLINE shall be responsible for all applicable fees and costs associated with the background checks and badging process. The amount of such fees is subject to change without notice.
- E. **Airport ID/Security Credential Applicant Requirements and Responsibilities.** The Airport Security Plan (ASP) requires that each person issued an Airport ID/Security Credential be made aware of his/her responsibilities regarding the privilege of access to restricted areas of the Airport.

The AIRLINE and all AIRLINE personnel within an access controlled area (AOA, SIDA, secured area or sterile area) are required to display on their person an Airport ID/Security Credential, unless they are escorted by a properly Airport credentialed individual with escort privileges. Airport Director will only accept valid certificates of insurance and endorsements, or in the interim, an insurance binder as adequate evidence of insurance. The AIRLINE also agrees that upon cancellation, termination, or expiration of the AIRLINE's insurance, the COUNTY may take whatever steps are necessary to interrupt any operation from or on the Airport Premises until such time as the Airport Director reinstates the LEASE.
