C. AIRPORT COMMISSION COMMENTS

- Chair Dvorak discussed the standard operating procedure for any questions regarding meeting agenda items by Airport Commission members is to send them to Elizabeth in advance so they can be provided to the entire Commission during the meeting.
- Chair Dvorak asked Airport staff if it would be possible to hold study sessions before Airport Commission meetings for more complex agenda items. Deputy County Counsel Mark Sanchez stated that a study session would need to be fewer than three members to not violate the Ralph M. Brown Act. Counsel stated that the Commission can agendaize an item to discuss, or a Commissioner can meet with an Airport division individually to discuss a meeting item.
- Vice Chair O'Reilly asked if there is a requirement for agenda items to be posted by a specific timeframe before the meeting. Deputy County Counsel Mark Sanchez responded that the requirement is 72 hours before the meeting time. Chair Dvorak stated that Vice Chair O'Reilly had requested the items be sent to the Airport Commission one week ahead and asked if that was possible. Interim Assistant Airport Director Komal Kumar responded that Airport staff would continue to try sending out agenda items one week prior, but there may be instances where staff will need additional time, and meeting items will be sent out on the Friday before the Airport Commission Meeting.
