

EMERGENCY MEDICAL FLIGHT
GENERAL AVIATION NOISE ORDINANCE
(GANO) VIOLATION WAIVER FORM

****COMPLETE A SEPARATE FORM FOR EACH ARRIVAL AND DEPARTURE****

California Public Utilities Code Section 21662.4 provides an exemption from local restrictions on flight arrivals and departures for specified emergency aircraft flights for medical purposes.

In order to qualify for a waiver from the County of Orange General Aviation Noise Ordinance (GANO),¹ written information concerning the emergency medical flight must be submitted to John Wayne Airport within 72 hours prior to or subsequent to the departure or arrival of the emergency medical flight as follows:

Aircraft Registration Number: _____

Date and Time of Operation: _____

Arrival or **Departure** (choose one)

1. Patient's Name/Chart Number and Address ²

2. Name of Medical Attendants/Personnel

3. Discipline of License or Certificate held for Practice of Medical Personnel.

¹ Failure to comply with this requirement is a misdemeanor punishable by a fine of up to \$1,000 per occurrence (Codified Ordinances of the County of Orange, Sections 1-1-34 and 2-1-30.6).

² John Wayne Airport will keep the patient's identity and personal medical information confidential in accordance with applicable State and federal laws.

4. Requesting Medical Facility/Agency

5. Intended Destination

6. Aircraft Type and Registration Number

7. Names of Flight Crew Members

8. The individual signing below certifies that the flight meets the definition of “emergency aircraft flight for medical purposes” pursuant to Public Utilities Code Section 21662.4.
