## RECOMMENDED ACTION(S):

1. Adopt the Title VI Civil Rights Plan for John Wayne Airport as required by the Federal Aviation Administration.
2. Authorize the Airport Director or designee to execute the Title VI Civil Rights Plan.

## SUMMARY:

Adopting the John Wayne Airport Title VI Civil Rights Plan will comply with Federal Aviation Administration Order 1400.11A.

## BACKGROUND INFORMATION:

John Wayne Airport (JWA) requests adoption of its initial Title VI Civil Rights Plan (Title VI Plan or Plan). The Plan was developed pursuant to Federal Aviation Administration (FAA) Order 1400.11A, which
requires airports that receive Federal financial assistance to create a Plan. The FAA Order 1400.11A describes the FAA's implementation of Title VI of the Civil Rights Act of 1964 (Title VI), (Public Law (Pub. L.) 88-352, codified at Title 42 United States Code (U.S.C.) §§ 2000d - 2000d-7). Title VI prohibits discrimination on the grounds of race, color, or national origin under any program or activity receiving Federal financial assistance.

JWA's Title VI Plan is based on an FAA-provided template. Per FAA guidance, JWA submitted a draft of its Plan for FAA comment in September 2023 after working with its Airport Title VI, consultant, GCAP Services, Inc. The FAA accepted the Plan in January 2024.

Implementation of the Title VI Plan will assure that no person shall, on the grounds of race, color, national origin (including limited English proficiency (LEP)), sex (including sexual orientation and gender identity), creed, or age, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987 (PL 100.259), Section 520 of the Airport and Airway Improvement Act of 1982, and related authorities be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that receives U.S. Department of Transportation funding.

JWA currently requires nondiscrimination assurances from each tenant, contractor, and concessionaire providing an activity, service, or facility at the Airport. Adoption of the Title VI Civil Rights plan will further assure that JWA makes every effort to ensure nondiscrimination in all of its programs and activities, whether those programs are federally funded or not.

Staff recommends the adoption of this FAA-accepted Plan in its current form. The Plan will be reviewed annually by JWA staff and updated at least once every three years according to FAA requirements. The Plan will be implemented on an ongoing basis as described in the document.

As a companion to the Title VI Plan, JWA was also required to develop a Community Participation Plan (CPP). The CPP is referenced in the Title VI Plan but does not require separate adoption by the Board. The purpose of the CPP is to ensure that stakeholders or communities potentially affected by Airport projects or operations can be informed, participate, and have their input thoughtfully considered during Airport planning efforts, regardless of their race, color, national origin, sex, sexual orientation, gender identity, creed, age, or disability. The CPP has also been accepted by the FAA and is attached.

Compliance with CEQA: This action is not a project within the meaning of CEQA Guidelines Section 15378 and is therefore not subject to CEQA, since it does not have the potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. The approval of this agenda item does not commit the County to a definite course of action in regard to a project since it is an approval of a Title VI Civil Rights Plan required by the FAA. This proposed activity is therefore not subject to CEQA. Any future action connected to this approval that constitutes a project will be reviewed for compliance with CEQA.

## 1. Title VI Policy Statement ${ }^{1}$

John Wayne Airport ("JWA" or "Airport"), owned and operated by the County of Orange, CA ("County"), assures that no person shall on the grounds of race, color, national origin (including limited English proficiency ("LEP")), sex (including sexual orientation and gender identity), creed, or age, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987 (PL 100.259), Section 520 of the Airport and Airway Improvement Act of 1982, and related authorities (hereafter, "Title VI and related requirements"), be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that receives U.S. Department of Transportation ("DOT") funding. Title VI also prohibits retaliation for asserting or otherwise participating in claims of discrimination.

JWA further assures every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs are federally funded or not. JWA agrees, among other things, to understand the communities surrounding the Airport or in the Airport's flight path, as well as customers that use the Airport. Anytime communities may be impacted by programs or activities, JWA will take action to involve them and the general public in the decision-making process.

JWA requires nondiscrimination assurances, as prescribed by the Federal Aviation Administration (FAA), from each tenant, contractor, and concessionaire providing an activity, service, or facility at the Airport. Assurances must be included in any related lease, contract, or franchise agreement between JWA and each tenant, contractor, and concessionaire, as well as in any similar agreements with their own sub-tenants or sub-contractors.

Nick Dinger, available at (949) 252-5297 and CivilRights@ocair.com, is responsible for overseeing JWA's compliance with Title VI and is the point of contact for all Airport Title VI matters and related responsibilities, including those required by 49 CFR Part 21.

## 2. Administration

The Orange County Board of Supervisors ("Board") will review and adopt this Title VI Plan for JWA. This Plan will be updated no less than once every three years. The Plan will not be re-adopted following minor changes, such as updating the Airport Director or Coordinator's name. Significant revisions to our policies or Federal guidelines may warrant re-adoption by the Board and resubmittal to the FAA.

In addition to the Coordinator and Airport leadership, the following people also assist with our Title VI program requirements:

## Staff Supporting Title VI Program Airport Sponsor Program / Office

Dan Levy
GCAP Services, Inc. (JWA’s Title VI Consultant)
As of the date of this Plan, JWA has the following pending applications for Federal financial assistance:

| Federal Source | Grant Number | Amount |
| :--- | :--- | :--- |
| FAA Bipartisan Infrastructure <br> Law (BIL) / Airport Terminal <br> Program (ATP) | Facility Accessibility \& Vertical Conveyance | Improvement Project - Grant Number Pending |$\quad \$ 44,974,951$

Updated information for pending and awarded grant applications will be available through the following methods:

## Federal Source Grant Award Information Available at:

| FAA AIP | $\underline{\text { https://www.faa.gov/airports/aip/ }}$ |
| :--- | :--- |

| FAA ATP | $\underline{\text { https://www.faa.gov/bil/airport-terminals }}$ |

## 3. Grant and Procurement Assurances

49 CFR § 21.7 (a)(1); 49 CFR Part 21 Appendix C (b)
JWA will complete standard grant assurances for Title VI and related requirements in the form prescribed by the FAA. See https://www.faa.gov/airports/aip/grant assurances/\#currentassurances.

## Clauses/Covenants

1) All contracts, leases, deeds, licenses, permits, and other similar instruments must contain the contractual requirements and clauses in the form prescribed by the FAA. See
https://www.faa.gov/airports/aip/procurement/federal contract provisions/. Note that unlike many other clauses, Civil Rights clauses are required in all contracts. Note also special clauses that are required for certain types of contracts, such as land acquisition.
2) JWA requires Civil Rights clauses to be included in solicitations and contracts for all subcontracts, subleases, and any other agreements. The following are the methods of how these clauses are incorporated:
a) Federally-Funded Capital Projects: All solicitations and contracts for federally-funded capital projects are routed from Orange County Public Works ("OCPW") Procurement to the Coordinator and County Counsel for review.
b) Non-Federally-Funded Capital Projects: OCPW Procurement has been provided with the FAA Contract Provision Guidelines and a template for the Civil Rights clauses to be included for non-federally funded Airport projects.
c) Leases, Licenses, and Other Tenant Agreements (Including Concessions and Airlines): JWA Business Development routes all leases, licenses, and other tenant agreements to the Coordinator and County Counsel for review.
d) General Vendor Contracts and Agreements: The Coordinator and County Counsel review Civil Rights clauses in the templates for general vendor solicitations and contracts managed by JWA Procurement.
e) Ground Transportation Licenses, Permits, and Agreements: The Coordinator and County Counsel review Civil Rights clauses in the licenses, permits, and their respective templates for the ground transportation providers managed by JWA Operations and Business Development.

## Description of Oversight Methods for Subcontracts

JWA inserts an additional paragraph at the end of each Civil Rights clause that must flow down to the subcontracts. The additional paragraph reiterates that the applicable Civil Rights clause must be included in each subcontract. Further, the paragraph explicitly requires that the contractor provide copies of the subcontracts when requested so that JWA can audit compliance with the requirement. Annually, for $10 \%$ of new prime contracts, the Coordinator will audit the required language has been included in the prime's subcontracts.

## 4. Title VI Coordinator Responsibilities

The Coordinator is responsible for ensuring that they and other staff supporting the Title VI Program are trained in Title VI requirements. Essential training topics include:

- Basic Title VI requirements.
- Airport language assistance resources and practices.
- Collecting and assessing demographic data.
- Reporting Title VI complaints and other required FAA notifications.

See the Training Section for more information on expected training for all staff.

Among other responsibilities, the Coordinator:

- Proactively ensures that JWA is in compliance with Title VI nondiscrimination requirements and reports to JWA leadership on the status of Title VI compliance.
- Responds promptly to requests by the FAA for data and records and for the scheduling of compliance reviews and other FAA meetings to determine compliance with Title VI and related requirements.
- Receives discrimination complaints covered by Title VI and related requirements and forwards them to the FAA within 15 days of receipt, together with any actions taken to resolve the matter.
- Provides the FAA with updates regarding its response and status of early resolution efforts to complaints concerning Title VI and related requirements (49 CFR Part 21, Appendix C(b)(3)), including resolution efforts.
- Annually reviews JWA’s Title VI Plan and disseminates information to JWA staff and leadership.
- Coordinates data collection to evaluate whether racial or ethnic groups are unequally benefited or impacted by Airport programs. The data will be regularly assessed and readily available upon request (49 CFR § 21.9(b) \& (c)). Data collection methods will include optional demographic questions in Airport customer satisfaction surveys, Title VI complaints, airport event sign-in sheets, and bids/proposals for airport contracts, and other methods described in the Airport's Community Participation Plan ("CPP").
- Maintains voluntary demographic data for members of appointed planning and advisory bodies for the Airport. Identifies any disparities from statistically significant data compared to the community and shares that information with the membership selecting official/committee when vacancies occur. Commission Clerks are responsible for informing the Coordinator when vacancies occur on their respective Commission.

Maintains a copy of 49 CFR Part 21 for inspection by any person asking for it during normal working hours (49 CFR 21, Appendix C (b)(2)(i)).

See Notice, Compliance Reviews, Audits, Lawsuits, and Other Investigations, and Complaints Sections of this Plan.

The Coordinator has requested and received access to the Title VI portion of the FAA Civil Rights Connect System (https://faa.civilrightsconnect.com/).

## 5. Notice <br> 49 CFR Part 21 Appendix C(b)(2)(ii)

JWA will conspicuously display the FAA-provided Unlawful Discrimination Poster in all public areas on Airport property, including those with pedestrian activity. The Coordinator ensures that
these posters are visible, accessible, ${ }^{2}$ and maintained. The poster template is available at: https://www.faa.gov/about/office org/headquarters offices/acr/com civ support/non disc pr/ and a completed copy is attached. See Section 15 Appendix.

JWA has posted the above Title VI policy statement at its staff offices. JWA will distribute this Title VI Plan among its employees and Airport contractors, concessionaires, lessees, and tenants. This Plan will be distributed following its adoption by the Board of Supervisors by providing a link via email, the website, and at tenant meetings.

Posters are displayed in each terminal and other areas on Airport property, including the following public locations:

| Terminal/FBO/Concessions/ <br> Other Locations | Quantity in <br> Pre-Security Area | Quantity in <br> Post-Security Area | Additional <br> Quantities |

## Outreach to Affected Communities - JWA Announcements, Notices, Public Meetings

 JWA's Public Information Officer ("PIO") will ensure that announcements and notices for JWA public meetings reach all segments of the impacted communities when a matter to be considered will impact the Affected Communities. The PIO will identify the effective media platforms to share announcements and notices. Announcements and notices can be made by social media, general circulation newspapers, community newspapers, email distribution, and the website, as deemed appropriate.JWA's PIO contacts leaders and representatives in the Affected Communities directly to confirm effective media platforms to reach all Affected Communities ${ }^{3}$ and provide important feedback on translated materials. The PIO maintains records of all such notices and the efforts made to reach each of the Affected Communities, as applicable.

To ensure that the community is effectively informed of, and able to participate in, public commission hearings, JWA's website translates public notices into appropriate languages, including any languages spoken by a significant number or proportion of the Affected Community population that has limited English proficiency ("LEP") meeting the safe harbor threshold. These languages are listed in the Community Statistics section of this Plan. Notices will include directions for obtaining a translator or interpreter, free of charge, for public hearings.

[^1]28 CFR §42.405(d). See Limited English Proficiency Section.
For Commission meetings, the Clerks for the Orange County Airport Commission, Airport Land Use Commission, and John Wayne Airport Arts Commission ("Commission Clerks") are responsible for immediately submitting to the PIO any translation or interpreter requests they receive. The PIO will then order the translation or interpreter service.

JWA will create a detailed CPP by December 31, 2023. Upon approval by the FAA, a copy of the Plan will be made available at https://www.ocair.com/about/administration/title-vi/

## 6. Community Statistics

Title VI regulations require Federal grant recipients to know their community demographics. See 49 CFR § 21.9(b). By knowing this information, JWA will be able to identify, understand, and engage with communities. In doing so, JWA needs to know about communities eligible to be served, actually or potentially affected, benefited, or burdened by JWA's airport programs.

| Affected Communities ${ }^{4}$ |  |
| :--- | :--- |
| Orange County and JWA Catchment Area $^{\boldsymbol{c}}$ Population |  |
| Community Immediately Surrounding Airport $^{5}$ | $3,179,000$ |
| Runways 2/20 L/R Approaches \& Departures | 12,000 |
| North County Flight Paths | 527,000 |
| South County Flight Paths | $1,828,000$ |

Hereafter, the above communities will be referred to collectively as the "Affected Communities." The Affected Communities eligible to be served, actually or potentially affected, benefited, or burdened by JWA's programs encompass the County of Orange in its entirety and the Airport's "Catchment Area." ${ }^{6}$ See Exhibit A for a map of the County of Orange and the Catchment Area.

Affected Communities with potential impacts from JWA's projects and flight operations include the Community Immediately Surrounding the Airport and communities under the flight paths in Orange County, grouped by Approach and Departure Flight Paths, North County Flight Paths, and South County Flight Paths. Whether one or more of the Affected Communities is potentially impacted will vary depending on the specific Airport project or activity. See Exhibit B for a map of Affected Communities potentially impacted by Airport projects and flight operations.

We have identified the following facts about the Affected Communities:

[^2]
## Low-Income Communities ${ }^{7}$

A low-income area is an identifiable group of persons living in geographic proximity whose median household income is at or below the Department of Health and Human Services poverty guidelines. Pursuant to Executive Order 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," JWA is collecting information about potentially affected low-income communities.

According to the U.S. Census Report, S1701: Poverty Status in the Past 12 Months, the overall poverty level for Orange County and JWA's Catchment Area is 9.8 percent. This rate is lower than the overall poverty rate in coastal Southern California of 12.7 percent, based on the combined populations of Los Angeles, Orange, and San Diego counties. The poverty rates for the specific Affected Communities are as follows:

| Affected Communities | Poverty Rate |
| :--- | :---: |
| Orange County and JWA's Catchment Area | $9.8 \%$ |
| Community Immediately Surrounding Airport | $30.7 \%$ |
| Runways 2/20 L/R Approaches \& Departures | $7.9 \%$ |
| North County Flight Paths | $11.8 \%$ |
| South County Flight Paths | $7.6 \%$ |

Exhibit C provides a map of poverty rates in the Affected Communities.

## Racial and Ethnic Communities

Demographic data for race, color, and national origin was evaluated to identify racial and ethnic communities and populations in each Affected Community. The demographic composition by race, color, or national origin for the specific Affected Communities are as follows ${ }^{8}$ :

Affected Community: Orange County and Catchment Area Total Affected Community Population: $\mathbf{3 , 1 7 9 , 0 0 0}$

| Demographic Group within Affected Community | Number of People in <br> Demographic Group | Percent of Total <br> Affected Community <br> Population |

## Limited English Proficiency ("LEP").

The goal of all language access planning and implementation is to ensure that JWA communicates effectively with LEP individuals. Effective language access requires selfassessment and planning. The next table lists non-English languages ${ }^{10}$ that are spoken in LEP households in the Affected Communities. The data source is the American Community Survey.

The threshold we have used for identifying the languages with significant LEP populations is the DOT LEP Policy Guidance safe harbor threshold, which is $5 \%$ or 1,000 , whichever is less. ${ }^{11}$ The safe harbor for our community is 1,000 . Please refer to the end of this document to find data for all languages in our community.

## Beneficiary Diversity

Demographic information is collected from airport customers, attendees at community meetings, and businesses seeking opportunities at the airport, through voluntary disclosures.

Description of Beneficiary Demographic Information Collection Methods

- JWA Public Affairs conducts biannual surveys of Airport guests for customer satisfaction with concessions, restroom cleanliness, food offerings, and other elements and services. JWA plans to include a voluntary request for demographic information in its next biannual survey.
- Participants at pre-bid meetings and other public meetings are asked to complete an anonymous survey that includes demographic information.
- Businesses that submit bids or offers are asked to complete an anonymous survey that includes demographic information, submitted through a data collection website.

## Staff and Advisory Board Diversity

Demographic information is collected from Airport program employees and members of planning and advisory boards through voluntary disclosures.

## Description of Employee and Advisory Board Demographic Information Collection Methods

- Employees are asked to submit voluntary, confidential demographic information at the time of hiring. Job applicants are asked to submit the same information when submitting their application through the job application website.
- Every three years, Airport administration emails all advisory board members, asking them to voluntarily and anonymously enter demographic information through an online survey.

## 7. Potential or Known Community Impacts

Projects or services receiving Federal financial assistance have the potential to touch so many aspects of American life. Thus, in general, no JWA activity will have a discriminatory disparate impact on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age. This means that policies or procedures that have a disparate impact would require a well-documented, substantial, legitimate, and nondiscriminatory justification, summarized below. Impacts to protected communities must be avoided or minimized to the extent possible. No project with a discriminatory impact on protected communities will be undertaken. ${ }^{13}$

The following Airport facilities are already in use or under construction and expected to be in use within the next three years:

Existing Airport Facilities
Runways $2 / 20 \mathrm{~L} / \mathrm{R}$
Terminals A, B, and C
Parking Structures A1, A2, B2, and C None
Main Street Parking None
Ground Transportation Center None
Airport Administration Buildings None
Fixed Base Operators None
Fuel Farm Facility None
Aircraft Rescue and Firefighting Station None

The following new Airport facility projects (including all alternatives) are in construction or expected to be in construction within the next three years:

| :--- | :--- |
| None | N/A |

We have analyzed the above existing facilities and new facility construction projects for disparate impacts on the basis of race, color, or national origin (including LEP) in the Affected Communities. The following have disparate impacts:

## 8. Limited English Proficiency ("LEP")

Executive Order 13166

In creating a Language Assistance Plan, JWA will consider the volume, proportion, or frequency of contact with LEP persons in determining the appropriate language assistance to provide.

In the Community Statistics section, we identified the following languages spoken by LEP persons in the Affected Communities:

## Language

Spanish
Vietnamese
Chinese (incl. Mandarin, Cantonese)
Korean
Tagalog
Persian (incl. Farsi, Dari):
Japanese
Arabic
Khmer
Russian
Punjabi
Ilocano, Samoan, Hawaiian, or other Austronesian languages
Thai, Lao, or other Tai-Kadai languages
Hindi
Gujarati
Amharic, Somali, or other Afro-Asiatic languages
Telugu
Nepali, Marathi, or other Indic languages
French
Bengali
JWA also collects data for languages spoken by Airport guests. ${ }^{14}$ Data sources include:

Based on the above data, the following additional languages have been identified as likely to be spoken by LEP Airport guests:

## Language

## None

JWA uses the translation and interpretation service providers used by the County of Orange government. The Airport relies on these professional firms to provide accurate and effective translations and interpretation services. Any feedback regarding the quality of the translations and interpretation service can be submitted to the Coordinator at CivilRights@ocair.com.

The Coordinator will inform JWA's leadership and staff of the responsibility to provide language access. The following plans provide translation services free of charge to ensure that individuals with LEP have access to the benefits of the Airport:

## Translation Services:

- Written notices contain a statement, when appropriate, of how to receive translated written materials.
- The following vendors have been identified for written translations:

| Translation Vendors | Languages |

| JWA Public Information Officer | All languages |

## Description of Interpretation Assistance Processes

Interpretation Assistance for Terminal Guests and Passengers

- JWA Customer Relations maintains a list of multilingual Customer Relations employees and the languages they speak. The list is updated on an ongoing basis. Generally, these employees are available during their work hours to assist members of the public with verbal real-time interpretation assistance.
- JWA utilizes Homeland Language Services ("HLS") to provide on-demand telephone interpretation service for Airport guests. When a request for an interpreter is received, the following process is used: Airport information desk staff use Point to Your Language cards to identify the language spoken by the Airport guest. Staff then contacts HLS and "park" the request in the queue for the appropriate language. HLS operators will coordinate connecting the requesting party to an interpreter for the duration of the call. At the end of each year, HLS invoices are reviewed, and the number of translation requests and languages are tabulated.

Interpretation Assistance for Public Hearings and Other Airport-Related Needs

- When requested, the PIO will request an interpreter for a public hearing, meeting, or other Airportrelated purpose.

## 9. Transportation

49 Part CFR 21 Appendix C (a)(1)(ix)
In the Community Statistics section of this Plan, we identified Affected Communities and provided demographic and related data for the community populations. The minority and lowincome community areas located within the Affected Communities are identified below.

We have coordinated with Orange County Transportation Authority (OCTA) to encourage them to provide transit service access between the Airport and these areas.

The following chart identifies existing and planned transit services connecting the Airport employment centers with the identified minority and low-income community areas.

| Minority and/or Low-Income Community Areas | Transit Service | Planned or Existing |
| :---: | :---: | :---: |
| The OCTA serves minority and lowincome communities throughout Orange County. See Exhibits E and F, which show OCTA's route map in relation to the minority and low-income populations served. | OCTA Bus Services: <br> - Route 76, stopping at JWA, connects to an extensive fixedroute bus network throughout Orange County. <br> - Route 71 serves the employment industrial area along the north boundary of the airfield. <br> - Route 472 links the Airport area to the nearest commuter rail station. <br> - Route 178 serves the employment area surrounding the Airport on the south side of the airfield. | Existing |

## 10. Minority Businesses

49 CFR 21 Appendix C (a)(1)(x)
Bids for Airport concessions and other business opportunities are solicited from area minority and woman-owned businesses through the following methods:

## Airport Business Opportunity

| Federally-Funded Capital | JWA coordinates virtual outreach events for the Disadvantaged Business <br> Projects |
| :--- | :--- |
| Enterprise ("DBE") Program. JWA has distributed a Business <br> Opportunities Flyer with information on how to become DBE certified <br> to minority and woman-owned business associations. OCPW <br> Procurement provides notification to DBEs in the relevant scopes of <br> work, and minority and woman-owned business associations, when <br> federally-funded project opportunities become available. |  |
| Concessions Request for <br> Proposal ("RFP") | JWA coordinates virtual outreach events for the Airport Concessions <br> Disadvantaged Business Enterprise ("ACDBE") Program. JWA has <br> distributed a Business Opportunities Flyer with information on how to <br> become ACDBE certified and the concessions RFP, to minority and <br> woman-owned business associations. |
| Airport Parking, Shuttle, and | JWA Procurement provided notification to ACDBEs in the relevant <br> scopes of work for this opportunity in 2023. |
| Valet RFP | JWA distributes a Business Opportunities Flyer, which includes <br> information on the DBE and ACDBE programs via email, the website, <br> and at County vendor outreach events. |

Selections are in compliance with Title VI, Part 21, and related requirements. Information on the award process and documentation for specific bid decisions is kept with either OCPW Procurement or JWA Procurement, depending on which department served as the contracting agency.

## 11. Training

New employee orientation will incorporate Title VI training and other related training that will include the following topics:

- Title VI and related laws prohibit discrimination on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age
- Title VI complaints must be forwarded to the Coordinator
- Protections against retaliation for filing civil rights complaints or related actions
- Title VI notices must be displayed throughout the Airport's public facilities
- All contracts must include Title VI clauses
- Language interpretation and translation services
- Anti-harassment training (provided separately, this training also touches on cultural sensitivity)

Refresher information will be provided every two years.

## 12. Compliance Reviews, Audits, Complaints, Lawsuits, and Other Investigations

FAA Notification. The Coordinator will notify the FAA of any pending investigations and reviews, including:

- Compliance reviews or audits concerning civil rights requirements ${ }^{15}$
- Complaints, lawsuits, or other investigations alleging noncompliance with civil rights requirements ${ }^{16}$

As discussed in the Title VI Complaints Section, Title VI complaints must be forwarded to FAA contacts within 15 days of receipt. For all other civil rights investigations, JWA must notify FAA contacts of any new investigations prior to grant execution.

Any applicable investigations or lawsuits known to County Counsel will be communicated to the Coordinator so that FAA can be apprise of these matters.

At regular intervals, the Coordinator will provide FAA contacts with status updates for the investigations and reviews until completed. For each existing investigation or review completed within five years of this Plan, the Coordinator will also provide a statement about the outcome unless previously provided.

## 13. Title VI Complaints

49 CFR 21.11; 49 CFR 21 Appendix C (b)(3); 28 CFR 42.406(d)
Scope. These procedures are for complaints of discrimination under Title VI and related laws (hereafter "Title VI Complaints." In order to be a Title VI Complaint, the complaint must:

1. Allege discrimination on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age, or violations of administrative requirements under Title VI or related laws.
2. Not only be for employment matters. ${ }^{17}$
3. Allege misconduct by JWA, including Airport employees, or contractors, concessionaires, lessees, or tenants.

[^9]4. Concern an Airport facility or actions by JWA, including Airport employees, or contractors, concessionaires, lessees, or tenants.

Rights. Any person who believes they have been subjected to discrimination on the basis of race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age has the right to file a complaint with JWA. Alternatively, they can file a formal complaint with an outside agency, such as the U.S. Departments of Justice or Transportation, or the Federal Aviation Administration ("FAA"), or seek other legal remedies.

Receipt of Complaint. The Coordinator will log the complaint and promptly send copies to County Counsel, the Deputy Airport Director of Public Affairs, and the Airport Director.

In filing a complaint, assistance for persons with disabilities or limited English proficiency is available upon request. You may contact the Government Relations Manager to request communication in an alternate format or language.

The complaint should be submitted as soon as possible, but no later than 180 days after the alleged violation to:

Nick Dinger, Government Relations Manager and<br>Title VI Coordinator<br>John Wayne Airport, Orange County<br>3160 Airway Avenue<br>Costa Mesa, CA 92626-4608<br>Phone: (949) 252-5297<br>Fax: (949) 252-5178<br>Email: CivilRights@ocair.com

If a complaint is initially made by phone, it must be supplemented with a written complaint before 180 days after the alleged discriminatory event has passed. If a verbal complaint is received, the complainant will be provided with a copy of the Airport Discrimination Complaint Procedures and advised to submit a written complaint. Accommodation will be available upon request for individuals unable to file a written complaint due to a disability.

Initial Procedure. The Coordinator may meet with the complainant to clarify the issues, obtain additional information, and determine if informal resolution is feasible in lieu of an investigation. If successfully resolved, the Coordinator will issue a closure letter to the complainant, record the disposition in the complaints log, and report the resolution to the FAA.

## Discrimination Complaint Referral Procedure

Internal Complaint Referral. All Title VI complaints must be promptly forwarded to the Coordinator within one business day of receipt.

Initial FAA Notification. A copy of each Title VI complaint will be forwarded to the FAA within 15 days of initial receipt (not the date that the Coordinator was notified). The Coordinator will forward a copy of the complaint and a statement describing all actions taken to resolve the matter, and the results thereof to the FAA Civil Rights staff. (Note: complaints based on
disability do not have to be forwarded to the FAA.) To transmit complaint information to the FAA, the Coordinator will upload that information to the FAA Civil Rights Connect System, which issues automated notifications to FAA staff. The Coordinator will also seek technical assistance from the FAA, as needed, throughout the complaint intake, investigation, and resolution process.

## Investigation Procedure

Assignment of Investigator. The Coordinator will immediately begin the investigation or designate an investigator.

Cooperation with FAA. The Coordinator will promptly investigate all Title VI complaints, including those referred by the FAA for investigation. If the FAA is investigating a complaint against JWA, the Coordinator will avoid interfering with the FAA investigation, cooperate with the FAA when needed, and share factual information with the FAA.

Prompt Investigation. The Coordinator will make reasonable efforts to complete discrimination complaint investigations within 60 calendar days after the complaint is received. Investigations beyond the above timeframe will include a justification for the delay and an assurance that the investigation is being completed as quickly as possible.

Contact with Complainant. The Coordinator will meet with the complainant as needed, over the phone, in person, or virtually, to clarify the issues, obtain additional information, and speak with community members and potential witnesses, as appropriate.

Investigation Report. After completing the investigation, the Coordinator will prepare a written report.

Consultation with Legal Counsel. In each case, the Coordinator will consult with JWA County Counsel regarding the investigation and the report. County Counsel will ensure that the report is consistent with the DOT and FAA Title VI nondiscrimination requirements.

Prompt Resolution of Disputes. The Coordinator will emphasize voluntary compliance and quickly and fairly resolve disputes with complainants or with contractors, tenants, or other persons through its various committee resources such as JWA's Airport Airline Affairs Committee, Airline Affairs Ad-Hoc Committee, and Tenant/Station Manager Committee.

Forwarding Report and Response to Complainant. At the completion of the investigation, the complainant and respondent will receive a letter of findings and determination of the investigation and any applicable resolution. The letter transmitting the findings and any applicable resolution will state JWA's conclusion regarding whether unlawful discrimination occurred and will describe the complainant's appeal rights. A summary of the investigation report, any appeal, or follow-up actions will be sent to the FAA via the FAA Civil Rights Connect System.

Appeal Rights. The complainant must be notified of their right to appeal the findings or
determinations and of the procedures and requirements for an appeal. The complainant may appeal in writing to the JWA Airport Director at the address below.

John Wayne Airport, Orange County
3160 Airway Avenue
Costa Mesa, CA 92626-4608
Attn: Airport Director

- The written appeal must be received within 15 business days after receipt of the written decision.
- The written appeal must contain all arguments, evidence, and documents supporting the basis for the appeal.
- The Airport Director will issue a final written decision in response to the appeal.

Avoiding Future Discrimination. In addition to taking action with respect to any specific instances of discrimination, JWA will identify and implement measures to reduce the chances of similar discrimination in the future.

Intimidation and Retaliation Prohibited. JWA employees, contractors, and tenants will not intimidate or retaliate against a person who has filed a complaint alleging discrimination.

For information on filing a complaint with DOT/FAA, please contact JWA's Title VI Coordinator.

This complaint procedure is shared with the public through the following methods:
Website, In-person, and Other Distribution Methods
1 Airport website, Title VI page at https://www.ocair.com/about/administration/title-vi/
2 Title VI Training to be conducted for Airport employees.
3 Airport tenant meetings.

# JOHN WAYNE AIRPORT ORANGE COUNTY 

## Community Participation Plan March 2024

Page 1 of 6

# John Wayne Airport, Orange County Community Participation Plan ("CPP") ${ }^{1}$ 

\author{

1. Administration
}

The purpose of this CPP is to ensure that stakeholders or communities affected ${ }^{2}$ by John Wayne Airport, Orange County ("JWA" or "Airport") projects or operations can be informed and participate and have their input thoughtfully considered in the key stages during Airport planning efforts, regardless of their race, color, national origin, sex, sexual orientation, gender identity, creed, age, or disability (hereafter, the "protected bases"). This plan is provided in accordance with Title VI of the Civil Rights Act of 1964 ("Title VI") and related authorities. ${ }^{3}$ This plan and associated reports regarding our CPP efforts will be communicated to the public in formats accessible to persons with disabilities and to limited English proficient ("LEP") individuals.

The individuals primarily responsible for implementing JWA’s CPP are:

| Responsible Official | Title, Office, and Responsibilities |
| :--- | :--- |
| 1 Nick Dinger | Government Relations Manager; Title VI <br> Coordinator |
| 2 AnnaSophia Servin | Public Information Officer |

Responsible officials' contact information is shared with the public through the following methods:

## Website, In-person, and Other Communication Methods

1. https://www.ocair.com/about/contact-us/
2. Community emails
3. In-person, as appropriate

In addition, JWA will ensure that members of the public are advised of our nondiscrimination obligations. This includes how to file discrimination complaints with JWA and the Federal Aviation Administration ("FAA"). We will also conspicuously display the FAA-provided Unlawful Discrimination Posters at Airport facilities. See the Notice section of JWA’s Title VI Plan.

JWA also makes this CPP available through the following methods when engaging members of the public concerning planning efforts:

[^10]Website, In-person, and Other Distribution Methods

1. https://www.ocair.com/about/administration/title-vi/
2. Upon request in-person
3. Upon request by email

## 2. Goals and Objectives

This CPP applies to all Airport planning and decision-making efforts, whether or not directly supported by Federal assistance. This includes surveys, public meetings (e.g., Airport Commission meetings), and hearings, not only meetings for a project requiring an environmental impact statement ("EIS") or environmental assessment ("EA").

JWA's planning processes that lead to decisions for projects or operations or those of any subrecipients are:

## Planning Processes

1. JWA Capital Improvement Program ("CIP") - Annual Commission and Board approval of all capital projects to be included in the CIP for the next three years.
2. Orange County Airport Commission
3. Orange County Board of Supervisors

JWA seeks public input for the above processes through the following methods:

| Public Input Methods | Planning Process(es) <br> that use each Method |
| :--- | :--- |
| A. Public Comment - In-person at Airport Commission and /or <br> Board of Supervisors meeting | $\# \mathbf{1 , 2 , 3}$ |
| B. Public Comment - via Email | $\# 1,3$ |

## 3. Identification of and Focused Outreach to Affected Communities

See the Community Statistics section of JWA's Title VI Plan for a detailed discussion of Affected Communities.

The specific steps JWA will take to communicate with, inform, educate, consult, or solicit input from, and expand opportunities for engagement with each Affected Community, ${ }^{4}$ are provided below.

[^11]| Affected Community | Key Community Reps. (CBOs, leaders, etc.) | Focused Outreach Steps |
| :---: | :---: | :---: |
| i. Orange County and JWA's Catchment Area | Community groups, business groups, city government leaders. | a. Notices at community centers and other public places as indicated below. <br> b. Social media campaign. <br> c. Email campaign to disability groups, language-based organizations, minority and women business associations, other business groups, and city government leaders. |

Email campaign to disability groups, language-based organizations, minority and women business associations, other business groups, and city government leaders. |
| v. South County Flight Paths | Community groups, business groups, city government leaders. | a. Notices at community centers in: <br> - Irvine (Las Lomas Community Center) <br> - San Juan Capistrano (San Juan Capistrano Community Center) <br> b. Social media campaign. <br> c. Email campaign to disability groups, language-based organizations, minority and women business associations, other business groups, and city government leaders. |

## 4. Effective Communication

JWA will ensure that public engagement is effective, meaningful, and free of linguistic, economic, historical, and cultural barriers to participation. Every effort will be taken to ensure clear, plain, and effective communication with Affected Communities, including materials in accessible formats for persons with disabilities and in languages other than English. See the LEP section of JWA’s Title VI Plan.

## 5. Communication Platforms

Diverse communication platforms will be utilized to effectively reach the broadest audience. We will use the following platforms to communicate project details, our nondiscrimination obligations, and contact information for the public to share project or operational feedback with our office and the FAA.

Social Media, Monitors, and Other Communication Platforms

```
1 X; formerly known as Twitter (Social Media)
2 Facebook; Meta (Social Media)
3 Instagram; Meta (Social Media)
4 LinkedIn (Social Media)
5 Agency Website (Other)
6 \text { Social Media Monitoring Program}
7 Media Monitoring Program
8 Email (Other)
```

## 6. Records

This section includes the procedures JWA will follow to document our outreach efforts. Records for steps taken to provide outreach to Affected Communities will be maintained in the following locations:

Website, In-person, and Other Storage Methods
1 JWA Administration Building - 3160 Airway Ave, Costa Mesa, CA 92626
2 https://www.ocair.com/about/administration/title-vi/

Records will be kept for community input. The records will document how JWA considered, weighed, and incorporated input received. The records will include justifications for any decisions contrary to community feedback. The records will be stored in the following locations:

## Website, In-person, and Other Storage Methods

```
1 JWA Administration Building - 3160 Airway Ave, Costa Mesa, CA 92626
2 https://www.ocair.com/about/administration/title-vi/
```

Records for demographics of participants will also be kept. Requested demographic information will include race, national origin, sexual orientation, gender identity, creed, age, disability, languages spoken, and community membership. ${ }^{5}$ Demographic information will be requested by the following methods:

## Demographic Information Collection Methods

1 Orange County Airport Commission Meeting - Participant Voluntary Demographic Survey

CPP records will be made available to the public using the same methods for other information outlined within this plan.

## 7. Reporting Outcomes

Within 30 days of the end of each federal fiscal year ("FFY"), JWA will create a CPP Report for that current FY. The report will summarize efforts taken under this CPP in a narrative statement describing:

1. The specific steps taken to produce meaningful engagement with Affected Communities that FFY,
2. The results of those efforts for that FFY, and
3. How the Affected Communities' comments and views are or will be incorporated into the decision-making process.

The CPP Reports will be included with JWA's Title VI Plan for every triennial update of the Title VI Plan. If no current Title VI Plan exists, the CPP Reports will be added to its Title VI Assessment for each grant.

ORDER 1400.11A

National Policy

Effective Date:
09/30/2022

SUBJ: Nondiscrimination in Federally-Assisted Programs at the Federal Aviation Administration (FAA)

This Federal Aviation Administration (FAA) Order describes the FAA's implementation of Title VI of the Civil Rights Act of 1964 (Title VI), (Public Law (Pub. L.) 88-352, codified at Title 42 United States Code (U.S.C.) §§ 2000d - 2000d-7). Title VI prohibits discrimination on the grounds of race, color, or national origin under any program or activity receiving Federal financial assistance.

Title 49 U.S.C. § 47123 provides similar protections to individuals that participate in an activity carried out with money received from an FAA Airport Improvement Program (AIP) grant. It extends protection on the basis of sex and creed.

This Order also describes the FAA's implementation of the Age Discrimination Act of 1975, (Pub. L. 94-135, codified at 42 U.S.C. § 6102) that prohibits discrimination on the basis of age in Federally-assisted programs.

Finally, this Order addresses the FAA's responsibility to ensure that airport grant sponsors, airport operators, and other FAA recipients comply with Title VI and related nondiscrimination requirements in FAA-assisted programs and activities.

Billy Nolen
Acting Administrator

## Chapter 1. General Information

1. Purpose of this Order. This Order describes how the FAA acts to ensure that airport sponsors over which the agency has jurisdiction, including those that receive Airport Improvement Program (AIP) grants, meet their Federal nondiscrimination obligations. The Order provides the policies, standards, procedures, and roles and responsibilities by which to implement Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000d et seq.); the nondiscrimination provision (49 U.S.C. § 47123) in the Airport and Airway Improvement Act of 1982, as amended; and the Age Discrimination Act of 1975 (42 U.S.C. § 6102) in its Federallyassisted programs (hereafter, "the Nondiscrimination Statutes"). This Order also implements the FAA's responsibilities under Department of Transportation (DOT) Order 1000.12C, "The U.S. DOT Title VI Program." This Order helps ensure standardization and uniformity in the application of these requirements so that beneficiaries have non-discriminatory access to services, activities, and programs that are provided by FAA recipients, and there are no discriminatory effects or treatment under the services, activities, and programs.
2. Audience. All FAA employees involved in implementing the Nondiscrimination Statutes and related requirements.
3. Where to Find this Order. You can find this Order on the MyFAA Employee website: https://employees.faa.gov/tools resources/orders notices/. This Order is available to the public at https://www.faa.gov/regulations policies/orders notices/.
4. Cancellation. The FAA Order 1400.11, "Nondiscrimination in Federally-Assisted Programs at the FAA," dated August 27, 2013, is canceled upon issuance of this Order.
5. Explanation of Policy Changes. This Order contains the following principal changes: organizational changes, including within the FAA Office of Civil Rights; programmatic changes required by DOT 1000.12C, including procedures to assess Title VI compliance during grant pre-award phases and reporting of Title VI deficiencies to the Departmental Office of Civil Rights; identification of responsibilities for the FAA implementation of the Nondiscrimination Statutes by non-AIP grant programs; and other program developments and regulatory updates since 2013.
6. Distribution. This Order is intended for: (1) Assistant and Associate Administrators, and heads of offices and services that have responsibility for any FAA grant or other FAA-assisted programs; (2) the division levels in the Offices of the Chief Counsel, Civil Rights, Airports, and (3) the Acquisition, Materiel, and Grants Division under the Air Traffic Organization (ATO), the UAS Integration Office, the Center of Excellence Program Office under the Office of NextGen, and the Office of Commercial Space Transportation.
7. Scope of Order. This Order addresses the FAA's responsibilities in monitoring airport grant sponsors and other FAA recipients ${ }^{1}$ for compliance with the Nondiscrimination Statutes and

[^13]related requirements. This Order does not have the force and effect of law and is not legally binding on airport sponsors in its own right. Mandatory terms such as "must" in this Order describe established statutory or regulatory requirements.
8. Authority to Change this Order. Unless specifically reserved by the Administrator, the Assistant Administrator of Civil Rights may approve changes to this Order, except those affecting policy, the delegation of authority, and the assignment of responsibilities.
9. Policy. The FAA is committed to compliance with all nondiscrimination laws, regulations and policies. It is the FAA's policy to actively ensure that all recipients (and sub-recipients) of Federal financial assistance from the FAA do not discriminate on the basis of race, color, national origin (including limited English proficiency), sex (including sexual orientation, and gender identity), creed, age, or disability, and that all FAA recipients comply, as applicable, with the Nondiscrimination Statutes and related requirements as a condition of receiving Federal financial assistance. We will also ensure there is no discrimination in the workplace on the basis of race, color, religion, sex (including pregnancy, sexual orientation, and gender identity), genetic information, national origin, age (40 and over), disability, or reprisal for participating in a protected Equal Employment Opportunity (EEO) activity, in accordance with Title VII of the Civil Rights Act of 1964 (codified at 42 U.S.C. 2000e et seq.).
10. How to Provide Feedback. Please submit any written comments or recommendations for improving this Order, or suggest new items or subjects be added herein, using the online feedback portal at Civil Rights Feedback ${ }^{2}$ or the FAA Civil Rights App. ${ }^{3}$ When applicable, please also note the paragraph and page number of any errors (procedural or typographical) and the recommended corrections.

[^14]
## Chapter 2. Responsibilities

1. Overview. This Chapter identifies the lines of business, offices, and agencies with responsibilities for the Nondiscrimination Statutes and related requirements under this Order. Should their functions or names change, this Order applies to the successor entities.
2. Office of Civil Rights (ACR). The Office of Civil Rights develops and enforces policies and procedures to ensure that the Agency and airport sponsors comply with the Nondiscrimination Statutes and related requirements, as applicable.
a. Assistant Administrator for Civil Rights (ACR-1). The Assistant Administrator for Civil Rights is the FAA's principal advisor on matters concerning the agency's responsibilities under the Nondiscrimination Statutes and related requirements. In this capacity, ACR-1 assists the Administrator in carrying out the provisions of statutory and regulatory authorities described in this Order. ACR-1 has delegated the authority to act for, represent, and speak for the Administrator on civil rights issues.
b. Airport Disability and Nondiscrimination Compliance Program (ACR-4B). The Airport Nondiscrimination Compliance Program (ANCP), within ACR-4B, is responsible for investigating complaints of discrimination filed under the Nondiscrimination Statutes and related requirements and conducts periodic compliance reviews of airports. ANCP provides technical assistance and training to airport operators, sponsors, and other entities to facilitate compliance with program requirements. ANCP coordinates with FAA program and grant offices to determine the Title VI compliance status of potential FAA recipients. ANCP also provides appropriate assistance to members of the public who need additional information on compliance requirements, including applicable regulations and information on filing a complaint of discrimination, or reporting a violation of the Nondiscrimination Statutes and related requirements.
c. National Airport Civil Rights Policy and Compliance Program (ACR-4C). ACR-4C is responsible for developing policies, guidelines, standards, and operating procedures related to the Nondiscrimination Statutes and related requirements for FAA offices, compliance guidance for airport recipients, and coordinating with ANCP and AGC-610 to address complex operational and policy issues.
3. Office of the Chief Counsel, Airport Law Branch (AGC-610). This office is responsible for developing and recommending policies and procedures to ensure the agency's actions comply with the requirements of the law. As necessary, AGC or the designated field attorney will act as legal counsel for the agency and its officers in the determination of an airport sponsor's or other entity's compliance with the applicable statutes and regulatory provisions.
4. Office of Environment and Energy. The Office of Environment and Energy (AEE) in the Office of Policy, International Affairs, and Environment (APL) develops, recommends, and coordinates national and international aviation policy relating to environmental and energy matters. The Environmental Policy and Operations Division's (AEE-400) responsibilities include ensuring that FAA's environmental policies comply with Executive Order 12898 and DOT Order
5610.2C. (See Chapter 3 of this Order). AEE- 400 will support ACR-4 in the interpretation and application of FAA's environmental policy and other pertinent DOT and agency directives, as ACR-4 considers Environmental Justice principles for actions identified herein.
5. Headquarters Airports Organizations. The Associate Administrator for Airports, Offices of Airport Planning and Programming (APP), Airport Safety and Standards (AAS), and Airport Compliance and Management Analysis (ACO) are responsible for planning and developing a safe and efficient national airport system. The Office of Airports (ARP) will assist ACR to the extent possible to implement this Order and will notify ACR if it becomes aware of any issues related to the Nondiscrimination Statutes and related requirements at the nation's airports.
6. Regional Airports Divisions and Airports District Offices. Regional Airports Divisions and Airports District Offices are responsible for implementing the Airport Improvement Program (AIP), the Passenger Facility Charge (PFC) Program, and other programs authorized by law. They are also responsible for all airport program matters pertaining to airport safety and certification, airport design, and planning. The Regional Airports Divisions and Airports District Offices will provide assistance to ACR to the extent possible to help ACR in the implementation of this Order; will notify ACR if they become aware of any issues related to the Nondiscrimination Statutes and related requirements, or if they carry out any grant-related sanctions via ACR-4-TitleVI@faa.gov.
7. Other FAA Grant Program Organizations. All FAA offices that award Federal financial assistance to recipients have Title VI monitoring and enforcement responsibilities. The Acquisition, Materiel, and Grants Division under the ATO, and the Centers of Excellence Program Office under the Office of NextGen, for example, are responsible for the management and administration of grants. Grants are one form of Federal financial assistance. ${ }^{4}$
8. Departmental Office of Civil Rights (DOCR). The DOCR is responsible for providing leadership, direction, and guidance to the Secretary and Deputy Secretary in carrying out DOT's civil rights programs. Specific functions include:
a. Establishing Departmental policy concerning the implementation of DOT regulations;
b. Serving as the Department's Title VI Coordinator; ${ }^{5}$
c. Providing appropriate guidance, technical assistance, and training to the Operating Administrations (OAs);
d. Periodically reviewing, evaluating, and monitoring the programs of the OAs; and
e. Ensuring that all complaints alleging Title VI noncompliance under DOT programs are processed, investigated, and resolved.

[^15]9. Department of Justice (DOJ) Civil Rights Division (CRT). The CRT is responsible for setting standards, providing guidance, and overseeing the enforcement of Title VI for all Federal agencies. In this capacity, the CRT may review regulations and policy guidance documents that address the implementation of Title VI, Title IX of the Education Amendments of 1972, and related Federal nondiscrimination laws. ${ }^{6}$ The CRT also receives Title VI complaints from the public and coordinates with Federal agencies to ensure that complaints are properly processed. ${ }^{7}$
10. DOT Office of Aviation Consumer Protection. The DOT Office of Aviation Consumer Protection is responsible for complaints alleging discrimination under 49 U.S.C. § 40127(a) and other Federal anti-discrimination statutes ${ }^{8}$ on the basis of race, color, national origin, religion, sex (including gender identity and sexual orientation), or ancestry in air travel.

[^16]
## Chapter 3. Title VI/Nondiscrimination Policy, Legal Authorities, and Discrimination Prohibited

1. Overview. This Chapter identifies regulatory and other requirements that apply to airport sponsors under the Nondiscrimination Statutes and related requirements.

General Nondiscrimination Statutes that apply to airport sponsors (and other FAA recipients) that are overseen by ANCP include:
(1) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000d et seq.).
(2) Title IX of the Education Amendments Act of 1972 (20 U.S.C. §§ 1681-1688).
(3) The Civil Rights Restoration Act of 1987 (Pub. L. 100-259, 102 Stat. 28).
(4) Title 49 U.S.C. § 47123.
(5) Age Discrimination Act of 1975 ("Age Act"), as amended (42 U.S.C. § 6101 et seq.).

## 2. Implementing Regulations. ${ }^{9}$

a. 28 CFR Part 42, Subpart F, "Coordination of Enforcement of Nondiscrimination in Federally-Assisted Programs."
b. 29 CFR Part 1691, "Procedures for Complaints of Employment Discrimination Filed against Recipients of Federal Financial Assistance."
c. 49 CFR Part 21, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964." (DOT's Title VI rule)
d. 49 CFR Part 25, "Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance." (DOT’s Title IX rule)
e. A DOT rule for implementing the Age Discrimination Act has not been issued.

## 3. Executive Orders (E.O.).

a. E.O. 12250, "Leadership and Coordination of Nondiscrimination Laws" (Nov. 2, 1980).
b. E.O. 12898, "Federal Actions to Address Environmental Justice (EJ) in Minority Populations and Low-Income Populations" (Feb. 11, 1994).

[^17]c. E.O. 13166, "Improving Access to Services for Persons with Limited English Proficiency (LEP)" (Aug. 11, 2000).
d. E.O. 13985, "Advancing Racial Equity and Support for Underserved Communities Through the Federal Government" (Jan. 20, 2021).
e. E.O. 13988, "Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation" (Jan. 20, 2021).
f. E.O. 14008, "Tackling the Climate Crisis at Home and Abroad" (Jan. 27, 2021).

## 4. Directives and Guidance.

a. DOT Order 1000.12C, "The U.S. Department of Transportation Title VI Program" (June 11, 2021).
b. DOT Order 1050.2A, "DOT Standard Title VI Assurances and Non-Discrimination Provisions" (Apr. 24, 2013).
c. DOT Order 1000.18, "External Civil Rights Complaint Processing Manual" (Sept. 2007).
d. DOT Order 5610.2C, "U.S. Department of Transportation Actions to Address

Environmental Justice in Minority Populations and Low-income Populations" (May 16, 2021). ${ }^{10}$
e. "Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficient (LEP) Persons," 70 FR 74087. (Dec. 14, 2005).

The FAA issues guidance to help its applicants and recipients meet their nondiscrimination obligations. Typically, these resources include toolkits, templates, and/or advisory circulars and are located online at the ACR website. ${ }^{11}$
5. Discriminatory Actions Prohibited. ${ }^{12}$ The DOT Title VI regulation at 49 CFR § 21.5(b) provides examples of discriminatory actions that are prohibited, based on race, color, or national origin, under DOT-assisted programs. Notably:
a. $49 \mathrm{CFR} \S 21.5(\mathrm{~b})(1)(\mathrm{i}-\mathrm{vii})$ prohibits disparate treatment (intentional discrimination).
b. 49 CFR $\S 21.5(\mathrm{~b})(2)$ prohibits disparate impacts ${ }^{13}$ in general.

[^18]c. $49 \mathrm{CFR} \S 21.5(\mathrm{~b})(3)$ prohibits disparate impacts in determining the site or location of facilities.

## Chapter 4. Effectuating Title VI Compliance

1. Overview. This Chapter applies to each line of business or staff office (LOB/SO) that provides Federal financial assistance (FFA), as defined under 49 CFR § 21.23(c). Each LOB/SO administering FFA shall take all measures necessary, consistent with existing law, for their applicants and recipients to comply with Title VI and other nondiscrimination requirements. This Order recognizes that there are differences in how each $\mathrm{LOB} / \mathrm{SO}$ is structured and allocates FFA. Each LOB/SO should tailor its guidelines, as necessary, to ensure its applicants and recipients fully comply with Title VI. ACR will provide the technical assistance, education, and training necessary for each LOB/SO to effectuate Title VI compliance.
2. Federal Agency. The FAA is a Federal agency and a grantor of FFA, not a "recipient" of FFA as contemplated under Title VI. As a Federal agency, the FAA adheres to the nondiscrimination obligations of Federally-conducted programs and activities outlined in the executive orders and directives found in Chapter 3 of this Order. As a grantor of FFA, the FAA is responsible for monitoring and enforcing the compliance of FAA recipients with Title VI and related requirements. (See Chapters 5 through 8 of this Order.)
3. Title VI Grant Assurances and Contract Provisions. Recipients become obligated to comply with Title VI and related nondiscrimination requirements when they apply for and receive any form of FFA. ${ }^{14}$ In accordance with 49 CFR § 21.7, each FAA LOB/SO providing FFA must require recipients to provide written assurance that they will comply with these requirements.
a. Standard DOT Title VI Assurances and Non-Discrimination Provisions ("DOT Title VI Assurances"). As a condition of receiving FFA from DOT, DOT/FAA recipients are required to adopt and comply with the DOT Title VI Assurances. ACR is responsible for coordinating with DOCR to receive approval of any FAA-specific alterations or addenda to the DOT Assurances and Appendices. See DOT 1000.12C, Ch. I, Sec. 9(a)(4). In addition, the FAA will maintain a current DOT-approved FAA version of the DOT Title VI Assurances online, on ACR's Airport Civil Rights Policy and Compliance page. ${ }^{15}$

## b. Airport Improvement Program ${ }^{16}$ (AIP) Grant Assurances and Contract Provisions.

(1) AIP grant agreements must include the appropriate FAA civil rights assurances, which incorporate the DOT Title VI Assurances and be signed by the sponsor before ARP awards the grant. These include Assurance \#1 (containing the general civil rights references) and Assurance \#30 of the Airport Sponsor Assurances or Assurance \#17 of the Non-Airport Sponsor

[^19]Assurances. The Office of Airports maintains a copy of the AIP grant assurances online. ${ }^{17}$
(2) AIP-related contracts or agreements entered into by the sponsor must contain the full current version of the appropriate general civil rights and Title VI clauses from the Required Federal Contract Provisions (currently Sections A5 and A6). The clauses are required by DOT Order 1050.2A. Solicitations must also include the required language (Section A6). ARP maintains a copy of the AIP contract provisions online. ${ }^{18}$
c. Duration of Recipient Obligations. A recipient is generally obligated to the requirements of 49 CFR Part 21 for the period during which the FFA is extended to the program. However, where the funds are to provide personal property, real property, or structures or improvements thereon, recipients are obligated for as long as the property is used for a purpose for which the FFA was extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. ${ }^{19}$

## 4. Application of Requirements to Recipient Programs.

a. The Civil Rights Restoration Act of 1987 is codified in Title VI (race, color, or national origin), Title IX (sex in education programs or activities), and the 1975 Age Act, and extends these requirements to all portions of the recipient's airport programs or airport facilities, including those portions of facilities that do not receive Federal funding directly.
b. Title 49 U.S.C. § 47123 (AIP grants) adds sex and creed as protected categories in the programs and activities of airport sponsors and is coextensive with Title VI in terms of applying to all portions of the sponsor's airport programs or airport facilities.
c. FAA recipients must agree to ensure nondiscrimination based on age. ACR instructs recipients to reference "age" in nondiscrimination policies and investigate complaints based on age (See Chapter 7 of this Order).
d. The coverage of 49 CFR Part 21 is limited to the portion of the FAA grant recipient's organization involved in the grant-funded program (usually, an airport program). If enforcement becomes necessary, sanctions are limited to the particular entity or part thereof, and to the particular program or part thereof, in which noncompliance has been found. See 49 CFR § 21.13(c).
e. Title VI/Nondiscrimination requirements apply to primary or direct recipients and subrecipients. Additionally, direct recipients and sub-recipients must require their contractors, concessionaires, lessees, and tenants to comply with Title VI/Nondiscrimination requirements, and to pass these requirements to their subcontractors, sublessees, and subtenants.
(1) Direct recipients (receive FFA directly from the FAA). Under the AIP, most airport sponsors are direct recipients;

[^20](2) Primary recipients (pass FFA on to other recipients and monitor the other recipients' Title VI compliance; often will be a direct recipient); and
(3) Sub-recipients (receive FFA from a primary recipient; typically report compliance efforts directly to the primary recipient ${ }^{20}$ ).
(4) Under the AIP, the FAA has multiple State Block Grant sponsors (direct recipients) that distribute AIP or other FAA FFA to the states' non-primary airports (sub-recipients). The State Block Grant sponsor (primary recipient) must ensure that the non-primary airports (subrecipients) fully comply with the Nondiscrimination Statutes and related requirements.
f. In applying the nondiscrimination requirements to project site selections, recipients are expected to collect racial/ethnic, language, and other relevant demographic data; conduct effective outreach to affected minority and disadvantaged populations; assess project impacts to these populations during environmental reviews; and propose measures that: (1) address disparate impacts to these populations, (2) avoid, minimize, and/or mitigate disproportionately high and adverse effects to EJ populations, and (3) achieve environmental justice and equity.
g. Title VI applies to employment where: (1) the primary objective of the FFA is to provide employment, or (2) discrimination in the recipient's employment practices results in discriminatory effects to beneficiaries of the recipient's programs and services. See 49 CFR § 21.5(c). In addition, airport sponsors shall ensure that employment by tenants and concessionaires is available regardless of race, color, national origin, sex, or creed, and enhance employment opportunities for the nearby disadvantaged and minority population. See 49 CFR Part 21, Appendix C(a)(1)(ix).
h. The recipient's contracting opportunities (including for non-FAA assisted contracts and airport concessions) are covered by 49 CFR Part 21 (including 49 U.S.C. § 47123 if a recipient of AIP grants), and FAA's nondiscrimination policy. Sponsors are obligated to assure that the minority community in the airport's area is advised of the airport's business opportunities, that bids are solicited from qualified minority firms, and that awards are made without regard to race, color, national origin, sex, or creed. See 49 CFR Part 21, Appendix C(a)(1)(x).
i. Applicants for, and recipients of, FFA from the FAA must cooperate and assist the FAA in its efforts to ensure their compliance with the requirements. See 49 CFR § 21.9.
j. Under 49 CFR § $21.5(\mathrm{~b})(7)$ and 49 U.S.C. § 47123 (for airport sponsors), applicants and recipients must also take affirmative action to assure that no person is excluded from participation in, or denied the benefits of, their programs or activities (including in services, benefits, and use of facilities), based on race, color, national origin, sex, or creed, and to remove or overcome the effects of prior discriminatory practices.

[^21]k. Under certain circumstances, the FAA may lack authority to regulate an airport sponsor's use of its non-Federally sponsored land or facilities under section 163 of the FAA Reauthorization Act of 2018, Pub. L. 115-254. The application of section 163 to non-Federally sponsored land or facilities at an airport is determined on a case-by-case basis.

## 5. General Responsibilities of LOB/SOs with Recipients of FFA. ${ }^{\mathbf{2 1}}$

a. Each FAA LOB/SO that is responsible for programs that award FFA to recipients shall make such programs, and any recipients thereunder, known to ACR. Consistent with 49 CFR § 21.5(c), this includes programs that award FFA that can be used by recipients to provide (or maintain) employment.
b. Each LOB/SO that awards grants, or other types of FFA, must ensure that its application processes (and those of its recipients) contain the appropriate Title VI and other civil rights assurances and contract provisions.
c. Each $\mathrm{LOB} / \mathrm{SO}$ that awards FFA is responsible for informing its applicants that they will undergo a Title VI Assessment. Each applicant must provide the information necessary for ACR to conduct a Title VI Assessment. (See Chapter 5 of this Order.)
d. Each $\mathrm{LOB} / \mathrm{SO}$ providing formula or continuing FFA shall require that each recipient develop and adopt a Title VI Plan that outlines the recipient's measures to ensure compliance with Title VI. (See Chapter 5 of this Order.)
e. Each $\mathrm{LOB} / \mathrm{SO}$ will provide assistance to its applicants and recipients to the extent practicable in their efforts to voluntarily comply with Title VI and related requirements.
f. Each $\mathrm{LOB} / \mathrm{SO}$ will cooperate and assist ACR to the extent necessary during pre-award and post-award reviews (See Chapters 5 and 6 of this Order), investigations (See Chapter 7 of this Order), and monitoring and enforcement activities (See Chapter 8 of this Order) to ensure that applicants and recipients comply with Title VI and related requirements.

[^22]
## Chapter 5. Title VI Pre-Award Reviews

1. Overview. The FAA is responsible for reviewing each application for Federal financial assistance (FFA) to determine if applicants and recipients will comply with the Nondiscrimination Statutes and related requirements. A Title VI pre-award review is required under each FAA line of business or staff office ( $\mathrm{LOB} / \mathrm{SO}$ ) process for awarding FFA to recipients, such as the AIP grant application process. This Chapter describes how the FAA will verify Title VI compliance before FFA is awarded to new applicants and continuing recipients.
2. Title VI Pre-Award Assessment (Title VI Checklist). A Title VI Checklist must be completed by applicants indicating that all of the identified Title VI requirements, as summarized in the checklist, have or will be addressed prior to the award of FFA from the FAA (e.g., prior to the award of an AIP grant to the sponsor). Completed Title VI Checklists provide confirmation from the recipient that it has specified processes in place and documents and information on file and/or has provided them to the FAA, such as an approved Title VI Plan and a Community Participation Plan (CPP). The documents and information concern the recipient's complaints, lawsuits, investigations, other grant applications, compliance reviews, the status of corrective actions, and public information about its commitments to nondiscrimination and complaint communication, at the time of application. See DOT Order 1000.12C, Ch. II, Sec. 2.
a. The LOB/SO awarding the FFA (e.g., ARP for AIP grants) is responsible for ensuring that the Title VI Checklists are completed and provided to ACR for review and approval. ACR will make the compliance determination and inform the FAA office of the applicant's compliance status.
b. The FAA will not ordinarily deny financial assistance if an applicant has Title VI deficiencies at the Checklist stage; however, the applicant must commit to correcting their deficiencies as a condition of receiving the FFA. ${ }^{22}$
c. ACR will provide technical assistance, advice, or guidance to LOB/SOs (e.g., ARP) and to recipients seeking input on their Title VI Checklists, and for any necessary corrective actions.
d. The assessment obligation met through the Title VI Pre-Award Checklist may be verified through a post-award compliance review.
e. A current ACR-approved Title VI Plan on file with the FAA that meets the current DOT Title VI Plan requirements should meet most or all of the assessment requirements when an applicant is seeking continuing FFA, so long as the plan is no more than three years old.
3. Title VI Plan. Title VI Plans provide for the assignment of Title VI responsibilities to designated personnel and evidence of the recipient's intent to comply with the Nondiscrimination Statutes and related requirements. Title VI Plans also explain how records are compiled and maintained so that the FAA can determine the Title VI compliance of the recipient and any subrecipients. ACR has developed a template for Title VI Plans that meets the specific requirements of DOT Order 1000.12C, Ch. II, Sec. 3. Each FAA office that awards FFA should coordinate

[^23]with ACR to confirm that the template meets, or is tailored so that it meets the programmatic needs of its office.
4. Community Participation Plan (CPP). ACR has developed comprehensive community participation requirements that applicants and recipients must satisfy as a condition to receiving an award of FFA, consistent with the DOT Title VI regulation at 49 CFR Part 21, and the Title VI Coordination regulations at 28 CFR Part 42. The goal of the CPP requirement is to facilitate full compliance with Title VI by requiring meaningful public participation and engagement to ensure that applicants and recipients are adequately informed about how programs or activities will potentially impact affected communities, and that diverse views are heard and considered throughout all stages of the consultation, planning, and decision-making process. ACR has developed a CPP template that meets the specific requirements of DOT Order 1000.12C, Ch. II, Sec. 4. Each FAA office that awards FFA should coordinate with ACR to confirm that the CPP template meets, or is tailored so that it meets, the programmatic needs of its office.

## 5. AIP Grant Applications.

a. The FAA will not award discretionary FFA until an applicant undergoes a Title VI assessment and signs the FAA assurances.
b. If a project will be funded through a combination of AIP grant funds and PFC revenue or successive AIP grants, any pre-award determination of the project should be accomplished only once.
c. ARP will be responsible for ensuring that applicant airport sponsors complete the Title VI Checklist and that each completed Checklist is uploaded to the appropriate grant-making records systems prior to grant award.
d. Entitlement funds are a form of continuing FFA. The FAA will implement a phased approach to ensure that each sponsor awarded entitlement funds also has an approved Title VI Plan and CPP on file with the FAA.

## Chapter 6. Compliance Reviews

1. Overview. Compliance reviews are an essential means of affirmatively enforcing Title VI. In accordance with DOT Order 1000.12C, the FAA's Title VI compliance reviews are conducted (led) by ACR and incorporate the Title VI requirements from Section 6 of the DOT Order.
a. Under 49 CFR § 21.11(a), the FAA is responsible for periodically reviewing the practices of airport sponsors and other FAA recipients ("recipients") that have been awarded Federal financial assistance to determine their Title VI compliance status.
b. The compliance review process is discussed in the National External Operations and Policy Programs (NEOPP) Standard Operating Procedure (SOP) ACR-4 Compliance Review-SOP, which is available through the internal FAA website, and incorporated herein by reference.
c. ANCP is responsible for planning and conducting compliance reviews of recipients, and for assisting recipients in complying with their obligations under the Nondiscrimination Statutes and related requirements. To the extent possible, ANCP may develop a multi-year plan for conducting compliance reviews and may use a variety of methods for conducting reviews, including online assessments, desk reviews, and comprehensive on-site reviews, or a combination of methods.
2. Scope of Review. A post-award Title VI review may examine any aspect of a recipient's compliance with nondiscrimination requirements, including whether commitments made during a pre-award review are being implemented. The scope of a compliance review primarily covers the following:
a. The recipient's documented efforts to meet the Nondiscrimination Statutes and related requirements (including requirements for the Community Participation Plan (CPP)).
b. The recipient's posted information at facilities and on websites related to obligations under the Nondiscrimination Statutes and related requirements (including the FAA "Unlawful Discrimination" poster ${ }^{23}$ ).
c. Review of contracts, leases, and licensing agreements between the recipient and third parties, such as airport concessionaires and ground transportation operators, for inclusion of Title VI contract clauses, per the FAA contract provisions or DOT Order 1050.2A, as applicable. ${ }^{24}$
d. ANCP may also conduct reviews of a recipients' projects at any stage (as opposed to the recipients' operations), in accordance with Title VI (including limited English proficiency), 49 U.S.C. § 47123, 49 CFR Part 21, and DOT Order 5610.2C on Environmental Justice.
[^24]
## 3. Conducting the Compliance Review.

a. Desk Review or Online Assessment. ANCP may conduct a desk review or online assessment. This is a limited review via a request to the recipient to submit written responses to a list of questions, and supporting documents. At a minimum, the review covers the administrative requirements and efforts to ensure compliance with requirements referenced in this Order, to the extent possible while not on-site. A more in-depth, comprehensive on-site review may occur after the initial desk review or online assessment.
b. On-site Review. The purpose of the on-site review is to provide ANCP staff the opportunity to (1) review the recipient's compliance with Nondiscrimination Statutes and related requirements; (2) review original airport documents such as airport leases and contracts; (3) make in-person observations during the airport facilities tour; and (4) identify issues and confirm findings through interviews with all pertinent parties. Coupled with an initial review of documents requested in advance, the on-site review presents the best opportunity to conduct a comprehensive and in-depth analysis. There are two types of compliance reviews that may be conducted, a limited scope "mini" compliance review and a full scope comprehensive review.
c. Review Team. The review team consists of ANCP staff and may include regional FAA staff from the ARP to review the airport's compliance with nondiscrimination requirements. Other components of ACR-4 staff or other associated LOB/SO staff members may also participate in the review. ANCP may also request the LOB/SO's assistance at any stage of the review to ensure the recipients' cooperation in the process.

## 4. Compliance Determinations.

a. A recipient is in compliance with nondiscrimination regulatory requirements when it correctly and fully implements the provisions specified in the requirements. A recipient has not achieved compliance if it has not implemented the regulatory provisions; if it incorrectly applies the requirements; or if it applies some aspects of the requirements correctly but needs to make an additional effort or changes to achieve full compliance. A recipient also has not achieved compliance when there is evidence that it has discriminated against individuals or groups of airport beneficiaries; or where its neutral policies or practices result in discrimination against a particular group based on its race, color, national origin, sex, creed, or age.
b. A recipient will fall into noncompliance when it fails to take corrective action after attempts have been made by the FAA to resolve the matter voluntarily. ${ }^{25}$
c. The goal of the compliance review is to ensure that recipients are complying with the applicable obligations and regulations and to assist recipients in achieving compliance through technical assistance and training if full compliance has not been achieved.
5. Compliance Report. ANCP will typically produce a formal written report of its compliance findings within 90 days of the preliminary findings and initial draft report unless extenuating circumstances are present. The formal written report addresses each area or issue reviewed, the

[^25]applicable regulatory reference and requirement, the findings and compliance determination, and recommended actions. The report should include a summary table of each finding and recommended action, and columns for the recipient to respond with a voluntary compliance action and response date. Alternatively, ANCP should provide a detailed list of identified compliance issues to the recipient, along with applicable requirements and suggested follow-up actions with sufficient specificity for the recipient to take necessary corrective actions.
6. Voluntary Compliance. The goal of the compliance review, where deficiencies are found, is to achieve voluntary compliance by the recipient. ANCP will make all efforts to assist the airport sponsor in achieving voluntary compliance, including providing technical assistance and training (See Chapter 8 of this Order), and seeking the assistance of the responsible LOB/SO, when appropriate.
7. Reporting to DOCR. ${ }^{26}$ To the extent required by DOCR, the FAA will make draft compliance reports available to DOCR for evaluation and comment for findings of disparate impact discrimination; for reviews of recipients with an active complaint alleging disparate impact or a history of complaints or violations; or at the request of DOCR. Upon request by DOCR, the FAA will provide DOCR with a copy of the final compliance report to the recipient.
a. Remedial Steps. If findings of deficiency exist in the final compliance report, the recipient will be required to take corrective action, develop a timeline for compliance, and report on its progress to the FAA on a timely basis. The LOB/SO that awarded the Federal financial assistance should cooperate with the FAA to the extent necessary to ensure that the recipient corrects the deficiencies. Upon request by DOCR, ACR shall update DOCR on the recipient's progress, through data, narrative, or other means.
b. Closeout. When the recipient has satisfactorily responded to the compliance review's findings, ACR shall inform the recipient that the review process has ended and release the recipient from further reporting based on the compliance review. ACR may follow a compliance review with additional reviews as necessary and inform DOCR of such steps and any outcome.
8. Enforcement. If any FAA recipient refuses to correct deficiencies or does not meet the terms of a voluntary compliance agreement, and efforts to resolve the matter are not successful, ANCP will follow procedures for enforcement in Chapter 8.

## Chapter 7. Title VI/Nondiscrimination Complaints

1. Overview. This Chapter provides FAA offices that oversee Federal financial assistance programs with basic information on the processing of Title VI and related nondiscrimination complaints. This information is intended to assist FAA offices in responding to initial inquiries on complaint matters from recipients and others.
a. Any person who believes that he or she or any specific class of persons has been subjected to discrimination based on race, color, national origin, sex, creed, or age may, personally or through a representative, file a complaint with DOCR or ACR ${ }^{27}$.
b. The overall complaint investigation process requirements are established by DOT Order 1000.18, External Civil Rights Complaint Processing Manual. ${ }^{28}$
c. The FAA complaint investigation process procedures, implementing DOT Order 1000.18 and other requirements, are discussed in the NEOPP SOP ACR-4 Complaints-SOP, which is available through the internal FAA website, and incorporated herein by reference.

## 2. Filing Formal Complaints.

a. Timeframes. Complaints must be filed within 180 days of the alleged violation or discriminatory act unless the timeframe for filing is extended by ACR. See 49 CFR § 21.11(b).
b. Citation of specific statute/regulation. A complainant need not specifically allege that Title VI, 49 CFR Part 21, or any other Nondiscrimination Statute or related requirement has been violated. An allegation of discrimination because of race, color, national origin, sex, creed, or age by a complainant is sufficient.
c. Complaints against Air Carriers and other non-Airport Entities. If the complaint is related to nondiscrimination requirements that are normally addressed to the DOT Office of Aviation Consumer Protection, ANCP will forward the complaint (or relevant portion thereof) to the following office responsible for processing:

Office of Aviation Consumer Protection, C-70
U.S. Department of Transportation

1200 New Jersey Avenue, SE
Washington, DC 20590
Allegations that fall under the jurisdiction of the Department of Homeland Security are referred, as appropriate, to:

[^27]CBP Information Center, MS-1345
U.S. Customs and Border Protection

1300 Pennsylvania Ave NW
Washington DC, 20229
Transportation Security Administration
601 S. 12 St.
Arlington, VA, 22202
3. Acceptance of Complaints. ACR-1 has the vested authority to accept or reject complaints of discrimination against FAA recipients under Title VI and other Nondiscrimination Statutes. ANCP generally has the delegated authority to accept or reject complaints. ANCP will coordinate decisions for the acceptance or rejection of complaint issues for unusual, highly complex, highly sensitive, or novel complaints.
4. Investigations. The FAA will conduct a prompt investigation whenever a compliance review, report, complaint, or any other information, indicates a possible failure by an FAA recipient to comply with Title VI. There is no required timeframe for completing an investigation, but ANCP will typically complete the investigation within 180 days of receipt of the complaint.
5. Closure Letter. ANCP closes the complaint by sending a notification to the airport operator and the complainant in a closure letter with a specific stated reason. Consistent with SOPs and Orders, ANCP issues different types of letters depending on the findings of an investigation or how the case is resolved. ANCP may issue a corrected letter addressing errors in a prior version of the closure letter.

## 6. Request for Reconsideration.

a. The FAA utilizes an informal review process called "Request for Reconsideration." This applies to any party in a complaint proceeding who has received a no violation letter of findings (LOF) or a violation LOF. The Request for Reconsideration may be filed by either party in a complaint proceeding. The request must identify (1) the specific finding to be reconsidered, and (2) the basis for the request, including facts or evidence to support the request. Requests for reconsiderations based solely on general disagreements with the investigative findings or remedies negotiated to bring the airport sponsor into compliance with the law will not be accepted.
b. See DOT Order 1000.18, for listed reasons for reconsidering a decision.
7. Complaints of Employment Discrimination against Recipients. Regulations of the Equal Employment Opportunity Commission (EEOC), 29 CFR part 1691, and the DOJ, 28 CFR part 42, govern the handling of complaints alleging employment discrimination based on race, color, national origin, sex, or religion (creed), by tenant employees or Federally-assisted contract employees against recipients. ACR may refer these complaints to the EEOC, or process them if
special circumstances warrant FAA's attention. Special circumstances may include allegations of a pattern and practice of employment discrimination or a Title VI impact related to the allegations of employment discrimination.
8. Complaints against the FAA. There is no private cause of action to file a discrimination complaint against Federal agencies under Title VI and related Nondiscrimination Statutes. The FAA will attempt to resolve allegations of noncompliance with Federal nondiscrimination requirements against the FAA by informal means, whenever possible, or when circumstances warrant, by other means authorized by law, or by investigating the claims consistent with FAA's investigative process described in this Chapter.

## 9. Complaints Based on Age (Age Discrimination Act).

a. Complaints against recipients involving services or benefits. ACR will use the procedures referenced in this Chapter to investigate allegations of discrimination based on age in services, benefits, or accommodations against a recipient of Federal financial assistance from the FAA, including age complaints against a recipient's contractors, tenants, or lessees.
b. Employment complaints against recipients. ACR will refer any allegation of employment discrimination based on age to the EEOC for review under the Age Discrimination in Employment Act of 1967, as amended.
10. Complaints Investigated by Sponsors. Discrimination complaints filed with the sponsor should be investigated by the sponsor. The FAA has oversight responsibility over these complaint investigations. Airport sponsors are required to provide a copy of every complaint based on race, color, national origin, sex, creed, or age to the FAA within 15 days of receipt, together with a description of any actions taken at that point to resolve it and the results of those actions. ${ }^{29}$ ANCP maintains records of sponsor-conducted complaint investigations in FAA Civil Rights Connect.

[^28]
## Chapter 8. Monitoring and Enforcement Strategies

1. Overview. The DOT Order 1000.12 C requires each OA to effectively monitor the performance of each applicant and recipient to ensure full compliance with Title VI. ${ }^{30}$ FAA's monitoring and enforcement responsibilities include compliance reviews during the pre-award (Chapter 5) and post-award (Chapter 6) periods, complaint investigations (Chapter 7), and the other mechanisms identified in this Chapter.
2. Informal Resolution. The FAA's ultimate responsibility is to ensure nondiscrimination in the programs to which it provides financial assistance. If the FAA finds reasonable cause to believe that a sponsor or recipient has failed to comply, it will notify the recipient and attempt to resolve the issue through informal means. Title 49 CFR § 21.11(d) requires that compliance matters (deficiencies and noncompliance found as a result of a complaint or a compliance review) be resolved informally whenever possible. Informal means of resolution include all methods to obtain the respondent's voluntary compliance prior to starting enforcement proceedings.

Follow-Up Monitoring. The FAA will carry out appropriate monitoring activities to ensure that a recipient implements the remedial steps to which it committed in a voluntary compliance agreement or in another format to the FAA. If there is a finding that the terms of such an agreement have not been implemented, ANCP will consult with ACR-4, regional counsel, and the responsible Airports regional office (or the responsible LOB/SO) to determine whether the matter should be referred to AGC-610 to commence enforcement proceedings in accordance with this Chapter.

## 3. Training and Technical Assistance.

a. Training. The FAA provides training to FAA offices and recipients on the Nondiscrimination Statutes and related requirements. The training covers the nondiscrimination obligations of Federally-assisted and Federally-conducted programs, including FAA's Title VI enforcement responsibilities over airport sponsors and other recipients. ACR consults with FAA offices and recipients to determine the most effective formats for the training. The formats often include webinars, one-on-one training, consultations, Question \& Answer sessions, DOT Learns modules, and ACR's Annual National Civil Rights Training Conference for Airport Sponsors.
b. Technical Assistance. The FAA provides technical assistance to FAA offices and recipients to ensure the nondiscrimination obligations are met. This assistance includes reviewing and providing feedback on Title VI-related program documents, including complaint investigations conducted by airport sponsors. The ANCP records significant Title VI-related technical assistance in FAA Civil Rights Connect.
4. Monitoring of Grant Programs other than AIP. The FAA administers other grant programs, in addition to the AIP (See Chapter 2 of this Order). The recipient obligations for several FAA grant programs other than the AIP are described in Chapter 4. Most recipients

[^29]awarded grants under these programs are educational institutions. The Department of Education (ED) provides Federal financial assistance programs to many educational institutions. The ED Office of Civil Rights (OCR) is responsible for monitoring the compliance of those institutions. DOT's policy is to defer to the ED in making compliance determinations regarding educational institutions under Title VI, whenever appropriate, to avoid duplication of efforts. This Order reflects that approach. ACR will coordinate with the ED OCR to the extent required by DOCR. ${ }^{31}$

## 5. Enforcement.

a. Enforcement under 49 CFR part 21 for Federal recipients. See 49 CFR §§ 21.11-19, DOT Order 1000.12, and DOT Order 1000.18.
(1) Referrals. ACR will refer noncompliance matters for coordination with AGC-610 under 49 CFR § 21.13 when ANCP and the responsible regional counsel and Airports Division (or LOB/SO) are unable to informally resolve the matter.
(2) ANCP may recommend suspension or termination of grants or other appropriate steps. ACR has determined that 180 days is a reasonable period of time to resolve issues informally. ANCP will advise ARP (or the responsible LOB/SO) of its recommendation. AGC610 or designated regional counsel will coordinate with the DOT Office of General Counsel (OGC), as appropriate, when carrying out the provisions of 49 CFR § 21.13. ACR must notify DOCR of the referral to AGC-610. Whenever OGC completes the enforcement procedures set forth in 49 CFR $\S \S 21.13,21.15$, and 21.17, ACR-1 will notify ARP-1 (or the executive of the responsible $\mathrm{LOB} / \mathrm{SO}$ ) and request assistance implementing appropriate grant-related sanctions.
b. Deferring Action on a Recipient Grant Application. If ACR has determined that noncompliance has occurred, ANCP may request that the responsible Airports regional office (or LOB/SO) temporarily defer action on a pending application for a recipient grant under 49 CFR § 21.13(b), to the extent allowed by law. Alternatively, similar actions intended to promote compliance, such as conditions in the grant restricting the drawdown of grant funds, may be used.
(1) Deferral may only be used with respect to applications. Payments on previously approved grants must continue until the procedures of 49 CFR §§ 21.13, 21.15, 21.17, and the legal processes required under 49 U.S.C. $\S 47107$, are completed.
(2) Deferral is appropriate for a reasonable period of time if it is consistent with the achievement of the objectives of the statute authorizing the FFA. See 28 CFR § 50.3.
(3) Initiate and complete efforts to secure voluntary compliance without delay. If the efforts fail, promptly refer the matter to AGC-610 to commence enforcement proceedings in accordance with this Chapter.

[^1]:    ${ }^{2}$ For more information about website accessibility, please visit ADA.gov.
    ${ }^{3}$ We will not subject any persons to discrimination based on race, color, national origin, age, sex, or creed. The term "protected communities" is used within this Title VI Plan to highlight the requirements of Title VI, 49 U.S.C. § 47123, the Age Discrimination Act of 1975, and in some instances, includes low-income populations under Executive Order 12898.

[^2]:    4 "Affected communities" means any readily identifiable group potentially impacted by an Airport project or operation, such as the community immediately surrounding a project or a community in the flight path.
    ${ }^{5}$ Census tract 626.10
    ${ }^{6}$ The Catchment Area for JWA is based on the ground access travel time. The Catchment Area includes communities where the ground access time to JWA is shorter than the time to surrounding commercial airports.

[^3]:    ${ }^{7}$ Low-income data must be collected to assist in our compliance with Environmental Justice requirements (not Title VI requirements). For example, this data will be utilized in our Community Participation Plan ("CPP") to help ensure the meaningful involvement of low-income communities in Airport programs and activities.
    ${ }^{8}$ We have used demographic groups from the U.S. Census per the FAA's guidance.

[^4]:    ${ }^{9}$ Census tract 626.10

[^5]:    ${ }^{10}$ Per FAA guidance, we have used language groups from the U.S. Census and data for the "Speak English less than 'very well'" category for each language over the threshold.
    ${ }^{11}$ See the DOT LEP Policy Guidance at https://www.federalregister.gov/d/05-23972/p-133. The safe harbor provisions apply to the translation of written documents only; however, it provides a consistent starting point for identifying significant LEP populations.

[^6]:    ${ }^{12}$ Data should be kept up-to-date, but this Plan does not need to be updated for incremental data changes during the Plan's three-year period.

[^7]:    ${ }^{13}$ In order to carry out an alternative with a discriminatory impact, the Airport must demonstrate that there was a substantial legitimate justification for the decision. The Airport must also show that alternatives with less discriminatory impacts were meaningfully considered and rejected for legitimate reasons.

[^8]:    ${ }^{14} \mathrm{We}$ aim to provide appropriate language assistance services to every LEP person encountered. This includes instances when LEP statistical data for a particular language was not available beforehand, or the safe harbor threshold for written translation was not met.

[^9]:    ${ }^{15}$ Includes any Title VI, ADA, Sec. 504, Title VII/EEO, or other civil rights program compliance review or audit to be performed on JWA or any of its sub-recipients by any State, Local or Federal agency.
    ${ }^{16}$ Includes allegations of discrimination based on race, color, national origin (including LEP), sex (including sexual orientation and gender identity), creed, or age, whether because of actions of the Airport itself, or its employees, contractors, or tenants. Includes noncompliance with related administrative requirements under civil rights laws.
    ${ }^{17}$ Complaints of employment discrimination must be addressed as required by EEOC and other applicable authorities with jurisdiction over employment matters. If an airport sponsor employment activity is funded by FAA grants, assistance or it is alleged that the employment discrimination affects the broader airport program, complaints about that activity must also be reported to FAA.

    ${ }^{2}$ Within this CPP, the term "affected" also means served, in addition to positively or negatively impacted.
    ${ }^{3}$ Related authorities include the Age Discrimination Act of 1975; Sec. 520 of the Airport and Airway Improvement Act of 1982; and the Civil Rights Restoration Act of 1987.

[^11]:    4 "Affected communities" means any readily identifiable group potentially impacted by an airport project or operation, such as the community immediately surrounding a project or a community in the flight path.

[^12]:    ${ }^{5}$ This information is solicited to demonstrate compliance with Title VI and related requirements. See 49 CFR § 21.9(b); 49 U.S.C. § 47123; 28 CFR § 42.406; and FAA Order 1400.11.

[^13]:    ${ }^{1}$ This Order will at times use the term "sponsor(s)" interchangeably with the terms "recipient(s)" and "applicant(s)." In most cases, "airport sponsor" (or sponsor) is used when a provision in this Order specifically applies to the Airport Improvement Program (AIP) or a recipient of an AIP grant.

    ${ }^{8}$ The Department has also interpreted 49 U.S.C. §§ 41310(a), 41712, and 41702 as prohibiting discrimination against air travelers.

[^17]:    ${ }^{9}$ Title VI is a statutory basis for the Disadvantaged Business Enterprise (DBE) and Airport Concession Disadvantaged Business Enterprise (ACDBE) programs. This Order does not address procedures for the DBE and ACDBE programs, which are governed respectively by the regulations in 49 CFR parts 26 and 23.

[^18]:    ${ }^{10}$ Engaging in EJ analysis under Federal transportation planning and NEPA provisions will not necessarily satisfy Title VI requirements.
