

**COURTESY (COU)
GROUND TRANSPORTATION
COMMERCIAL OPERATING PERMIT**

Permittee is hereby authorized and permitted by the County of Orange, hereinafter referred to as "County," acting by and through its Airport Director, hereinafter referred to as "Director," to operate its business or a phase thereof at the John Wayne Airport, hereinafter referred to as "Airport," for the following purposes only and subject to the terms and conditions hereinafter set forth.

The following specific terms and conditions are hereby mutually agreed to between County and _____(hereinafter referred to as "Permittee"):

1. Use Purpose Defined

Provide Courtesy ground transportation service to guests who are dropped off or picked up at John Wayne Airport. Passenger drop-offs, in conjunction with the providing of such services, may be made at the terminal curbs on the Upper Level of the Terminal roadways, and passenger pick-ups may be made at the loading zones on the Lower Level of the Terminal roadways, and only by authorized vehicles bearing an automatic vehicle identification device (transponder) issued by the Director or designee.

2. Term of Permit:

This permit shall become effective on _____, and shall continue on a month-to-month basis until revoked or mutually cancelled as hereinafter provided.

3. Authorized Vehicles:

- A. Permittee shall report to the Director, on forms provided for that purpose, the California State Vehicle Identification Number, License plate number, company identification number, if any, and vehicle type for each of the Permittee's vehicles used for its operations at Airport.
- B. All of Permittee's vehicles operated at the Airport shall possess identical color schemes and marking, so as to be readily identifiable as belonging to Permittee; shall display the name of Permittee, or its "DBA" on the rear and sides of each vehicle, in a type style and size so as to be readily identifiable; shall possess Permittee's company identification sticker and an automatic vehicle identification device, permanently affixed as instructed by Director.
- C. Upon receipt of the requisite information and performance of all other conditions precedent contained in this Permit, Director may issue automatic identification devices to be attached to each authorized vehicle.

4. Consideration for Permit:

As consideration for this Permit, Permittee agrees:

- A. To pay County a monthly fee determined by the number of monthly trips conducted by Permittee under this Permit. For the purposes of this Permit, a “trip” shall be defined as each time one of Permittee's vehicles passes in front of Airport's Terminal Building on the Upper or Lower Level. The per-trip fee payable to County shall be established and may be amended from time to time by the Board of Supervisors.

Payments shall be made in lawful money of the United States, free from all claims, demands, set-offs, or counter claims of any kind against County. Payments not paid when due shall be subject to interest thereon at the rate of one point five percent (1.5%) per month.

- B. To allow the County to permanently affix a transponder to the vehicle windshield so that County may monitor Permittee's operation of its vehicles on the Terminal roadways and automatically record the number of monthly vehicle trips Permittee conducts under this Permit.

In the event of an Automatic Vehicle Identification System failure, County shall determine Permittee's monthly fee based upon the average number of vehicle trips made over the last three months prior to the failure, or if less than one full year of operation, Permittee's fee shall be based upon the average of the number of vehicle trips for the total number of months in operation under this Permit.

County will provide the transponder for each of Permittee's vehicles. County, or its agent or employees, shall attach the transponder to the vehicle windshield, County shall not drill, rivet or otherwise puncture the body of Permittee's vehicles in the course of installing the transponder unit, and shall install the transponders in a workmanlike manner so as to avoid unnecessary damage to the Permittee's vehicles.

Permittee agrees to waive all and any claims against the County for any or all incidental damage caused to Permittee's vehicles by the ordinary process of install or removing the transponders.

- C. Permittee agrees and shall comply with all applicable air pollution control laws, including but not limited to the California Code of Regulations, Title 17, Section 95690 of the Zero-Emission Airport Shuttle Regulation. As applicable, Permittee shall register each vehicle in its fleet using the California Air Resources Board Truck Regulation Upload Compliance and Reporting System (TRUCRS), including providing to the County upon request, information related to their TRUCRS account (TRUCRS ID#, registered company name, carrier # and carrier type). Permittee shall submit to the County either their Certificates of Reported Compliance upon initial permit approval and/or when updates to TRUCRS are reported.

5. Books and Records:

Permittee shall maintain for a period of four years or, in the event of claim by County, until such claim of County for payments hereunder shall have been fully ascertained, fixed and paid, separate and accurate daily records of gross revenues derived from ground transportation operations and trip activity as herein defined, and in accordance with generally accepted accounting principles, showing detail all business done or transacted in, on, about or from or pertaining to Permittee's operations at the Airport, and Permittee shall enter all receipts arising from such business in regular books of account, and all entries in any such records or books shall be made at or about the time the transactions respectively occur. In addition, Permittee shall maintain monthly and annual reports of gross revenues and trip activity derived from its operation under this Permit, using a form and method as is determined by the Director. Such forms and methods shall be employed by Permittee throughout the term of this Permit. Such books and records shall be maintained at Permittee's principal place of business unless otherwise permitted by the Director in writing. Upon the Director's written request, Permittee shall make available immediately at the Airport any and all books, records and accounts pertaining to its operations under this Permit. The intent and purpose of the provisions of this section are that Permittee shall keep and maintain records which will enable County to ascertain, determine and audit, if so desired by County, clearly and accurately, the gross revenues and trip activity of Permittee, and that the form and method of Permittee's reporting of gross revenues and trip activity will be adequate to provide a control and test check of all revenues derived by Permittee under this Permit.

Should any examination, inspection, and audit of Permittee's books and records by County disclose an underpayment by Permittee in excess of five percent (5%) of the consideration due, Permittee shall promptly pay County the amount of such underpayment and shall reimburse County all costs incurred in the conduct of such examination, inspection, and audit. In the event that County deems it necessary to utilize the services of legal counsel in connection with collecting the reimbursement for such examination, inspection, and audit, then Permittee shall reimburse County for reasonable attorney's fees and litigation expenses as part of the aforementioned costs incurred.

No later than ninety (90) days after the annual anniversary of the commencement of this Permit, when requested by the Director, Permittee shall furnish to County a confidential report, certified by Permittee to be true and correct, of the ground transportation gross revenues and trip activity derived by Permittee from its operations permitted hereunder. Said report shall not be made public except as required by law.

Permittee shall furnish County with such other financial or statistical reports as the Director, from time to time, may reasonably require.

6. Other Charges and Fees:

Permittee shall pay all other charges, penalties or fees occasioned by the Permittee's operations or activities on or about the Airport.

7. Indemnity:

Permittee, on behalf of itself and its contractors agrees to indemnify, defend with counsel approved in writing by County, and hold County, its elected and appointed officials, officers, employees, agents and those special districts and agencies which County's Board of Supervisors acts as the governing Board ("County Indemnitees") harmless from any claims, demands, obligations, suits, judgments, penalties, causes of action, losses or liability of any kind or nature, including but not limited to personal injury to or deaths of persons or damage to property proximately caused by or arising out any act, omission, use, occupancy, or operation arising from or related to the use of this Permit. If judgment is entered against Permittee and County by a court of competent jurisdiction because of the concurrent active negligence of County or County Indemnitees, Permittee and County agree that liability will be apportioned as determined by the court. Neither party shall request a jury apportionment.

Each party hereto shall give to the other prompt and timely written notice of any claim made or suit instituted coming to its knowledge which in any way, directly or indirectly, contingently or otherwise, affects or might affect either, and each shall have the right to participate in the defense of the same to the extent of its own interest.

8. Insurance:

PERMITTEE agrees to purchase all required insurance at PERMITTEE's expense and to deposit with the COUNTY certificates of insurance necessary to satisfy the COUNTY that the insurance provisions of this Permit have been complied with and to keep such insurance coverage and the certificates therefore on deposit with the COUNTY during the entire term of this Permit.

PERMITTEE agrees that PERMITTEE shall not operate on the Permit Area at any time the required insurance is not in full force and effect as evidenced by a certificate of insurance or, in the interim, an official binder being in the possession of Airport Director. In no cases shall assurances by PERMITTEE, its employees, agents, including any insurance agent, be construed as adequate evidence of insurance. Airport Director will only accept valid certificates of insurance or in the interim, an insurance binder as adequate evidence of insurance. PERMITTEE also agrees that upon cancellation, termination, or expiration of PERMITTEE's insurance, COUNTY may take whatever steps are necessary to interrupt any operation from or on the Permit Area until such time as the Airport Director reinstates the Permit.

If PERMITTEE fails to provide Airport Director with a valid certificate of insurance or binder at any time during the term of the Permit, COUNTY and PERMITTEE agree that this shall constitute a material breach of the Permit. Whether or not a notice of default has or has not been sent to PERMITTEE, said material breach shall permit COUNTY to take whatever steps necessary to interrupt any operation from or on the

Permit Area, and to prevent any persons, including, but not limited to, members of the general public, and PERMITTEE's employees and agents, from entering the Permit Area until such time as Airport Director is provided with adequate evidence of insurance required herein. PERMITTEE further agrees to hold COUNTY harmless for any damages resulting from such interruption of business and possession, including, but not limited to, damages resulting from any loss of income or business resulting from the COUNTY's action.

PERMITTEE may occupy the airport premises only upon providing to County the required insurance stated herein and maintain such insurance for the entire term of this PERMIT. County reserves the right to terminate this PERMIT at any time PERMITTEE's insurance is canceled or terminated and not reinstated within ten (10) days of said cancellation or termination.

All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the County's Risk Manager, or designee, upon review of PERMITTEE's current audited financial report. If PERMITTEE's SIR is approved, PERMITTEE, in addition to, and without limitation of, any other indemnity provision(s) in this Permit, agrees to all of the following:

- A. In addition to the duty to indemnify and hold the County harmless against any and all liability, claim, demand or suit resulting from PERMITTEE's, its agents, employee's or subcontractor's performance of this Agreement, PERMITTEE shall defend the County at its sole cost and expense with counsel approved by Board of Supervisors against same; and
- B. PERMITTEE's duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
- C. The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the PERMITTEE's

SIR provision shall be interpreted as though the PERMITTEE was an insurer and the County was the insured.

If the PERMITTEE fails to maintain insurance acceptable to the COUNTY for the full term of this Permit, the COUNTY may terminate this Permit.

Qualified Insurer

The policy or policies of insurance must be issued by an insurer with a minimum rating of A- (Secure A.M. Best's Rating) and VIII (Financial Size Category as determined by the most current edition of the **Best's Key Rating Guide/Property-Casualty/United States or ambest.com**). It is preferred, but not mandatory, that the insurer be licensed to do business in the state of California (California Admitted Carrier).

If the insurance carrier does not have an A.M. Best Rating of A-/VIII, the CEO/Office

of Risk Management retains the right to approve or reject a carrier after a review of the company's performance and financial ratings.

The policy or policies of insurance maintained by the PERMITTEE shall provide the minimum limits and coverage as set forth below:

<u>Coverages</u>	<u>Minimum Limits</u>
Commercial Auto Liability (owned, non-owned, hired)	7 or less passengers \$750,000/occurrence 8-15passengers \$1,500,000/occurrence 16+ passengers \$5,000,000/occurrence
Workers' Compensation	Statutory
Employer's Liability	\$1,000,000 per occurrence

Required Coverage Forms

The Business Auto Liability coverage shall be written on ISO form CA 00 01, CA 00 05, CA 00 12, CA 00 20, or a substitute form providing liability coverage as broad.

All insurance policies required by this Permit shall waive all rights of subrogation against the County of Orange, its elected and appointed officials, officers, agents and employees when acting within the scope of their appointment or employment.

PERMITTEE shall notify County in writing within thirty (30) days of any policy cancellation and ten (10) days for non-payment of premium and provide a copy of the cancellation notice to County. Failure to provide written notice of cancellation may constitute a material breach of the PERMIT, upon which the County may suspend or terminate this PERMIT.

Insurance certificates should be forwarded to the COUNTY or to an address provided Airport Director. PERMITTEE has ten (10) business days to provide adequate evidence of insurance or this Permit may be cancelled.

COUNTY expressly retains the right to require PERMITTEE to increase or decrease insurance of any of the above insurance types throughout the term of this Permit. Any increase or decrease in insurance will be as deemed by County of Orange Risk Manager as appropriate to adequately protect COUNTY.

COUNTY shall notify PERMITTEE in writing of changes in the insurance requirements. If PERMITTEE does not deposit copies of acceptable certificates of insurance and endorsements with COUNTY incorporating such changes within thirty (30) days of receipt of such notice, this Permit may be in breach without further notice to PERMITTEE, and COUNTY shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit PERMITTEE's liability hereunder nor to fulfill the indemnification provisions and requirements of this Permit, nor in any way to reduce the policy coverage and limits available from the insurer.

9. Performance Security:

Permittee agrees that upon execution of this Permit, it will, at its own expense, deliver to the Director a security deposit or surety bond or bonds in the amount of _____ (\$ _____), payable to County, naming County as obligee and issued by a surety company or companies acceptable to County, and in such form as approved by County, which surety bond or bonds may be renewed annually, and shall be maintained in full force and effect during the term of this Permit at the expense of the Permittee, to insure the faithful performance by Permittee of all the covenants, terms and conditions of this Permit, inclusive of but not restricted to the payment of all considerations provided therein. The minimum security deposit amount will be one-hundred dollars (\$100). The surety company issuing said bond or bonds shall give the Director notice in writing by registered mail at least sixty (60) days prior to an anniversary date of its intention not to renew said bond or bonds. In lieu of such surety bond or bonds, Permittee may deposit with County an Irrevocable Letter of Credit, Treasury Bonds of the United States of America, Certificates of Deposit or a Certified Check, in a form acceptable to County, in the agreed amounts as security for faithful performance by Permittee as herein above provided, and Permittee may have the right to reserve to itself interest payable on said United States Bonds, or Certificates of Deposit.

On an annual basis, County reserves the right to adjust the amount of the security deposit to reflect approximately three (3) times the estimated monthly fees as determined by the Director to guarantee the faithful performance by Permittee of its obligations under this Permit and the payment of all fees due hereunder. Within thirty (30) days after notification of any change in required security deposit amount from County, Permittee shall submit to County any additional security deposit as may be required.

10. Right of Access:

During the existence of the Permit, and subject to the Airport's rules and regulations, Permittee, its agents, licensees and business invitees, shall possess the right of ingress to and egress from and about the Airport by authorized vehicles bearing automatic vehicle identification devices, as required by Permittee's operations hereunder; provided that such right shall not be exercised in a manner and to such extent as to impede or interfere with the operation of the Airport by County, its lessees, or other permittees, and shall be subject to the rules and regulations of the Airport.

11. Default by Permittee:

Permittee shall be in default under this Permit if:

- A. Permittee fails to punctually pay any fees, or to make any other payment required hereunder, due to County; or
- B. Permittee attempts to transfer its interests in this Permit without the prior written approval of the County by reason of death, operation of law, assignment, merger, sub-lease, or otherwise, to any person or entity; or
- C. Permittee voluntarily abandons, deserts, or fails to use its rights hereunder; or
- D. Permittee fails to keep, perform, or observe each and every other promise, covenant, and agreement set forth in this Permit, including maintenance of affirmative action and employment non-discrimination goals as set forth herein or the submission of reports requested herein, and such failure shall continue for a period of more than thirty (30) days after delivery by the Director of a written notice of such breach or default, except where fulfillment of its obligation requires activity over a period of time, and Permittee shall have commenced in good faith to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control; or
- E. Permittee attempts to use or gives its permission to any person to use any portion of the Airport, used by Permittee under this Permit, for any illegal purpose.

12. County Remedies:

If default is made by Permittee in any of the covenants, terms and conditions herein contained, County may elect to:

- A. Allow this Permit to continue in full force and effect and to enforce all of the County's rights and remedies hereunder, including, without limitation, the right to collect fees as they become due together with interest thereon at the rate of one point five percent (1.5%) per month; or
- B. Terminate this Permit as herein provided without prejudice to any other remedy or right of action for arrearages of fees.

Upon written notice by County to Permittee of such termination, all rights, powers, and privileges of Permittee hereunder shall cease, and Permittee shall have no claim of any kind whatsoever against County, its Board of Supervisors, or any members thereof, or their employees or agents by reason of such termination, or by reason of any act by County incidental or related thereto. In the event of the exercise by County of such option to terminate, Permittee shall have no right to or claim upon any improvements or the value thereof, which may have been previously installed by Permittee in or on the Airport's premises.

Revocation or termination of this Permit may be appealed to the Director. Such appeal may be initiated by Permittee filing a written request for appeal with the Airport Director's Secretary within ten (10) days of Permittee's receipt of notice of

termination. Permittee's request shall specifically state the grounds upon which the appeal is based. The Airport Director will act on this appeal within thirty (30) days of written request for appeal hearing.

The exercise by County of any remedy provided in this Permit shall be cumulative and shall in no way affect any other remedy available to County under law or equity.

13. Monetary Damages:

In the event County elects to terminate this Permit, Permittee shall pay to the County an amount equal to the sum of:

- A. All amounts owing at the time of termination on account of breach of any term, covenant or condition of this Permit including but not limited to unpaid fees plus interest thereon on all such amounts from the date due until paid at the rate of one point five percent (1.5%) per month;
- B. Any other amount to compensate County fully for all detriment proximately caused by Permittee's failure to perform its obligations hereunder or which in the ordinary course would likely result therefrom.

14. No Waiver of Subsequent Breaches or Defaults:

The failure of County at any time to insist upon a strict performance of any of the terms, conditions and covenants herein shall not be deemed a waiver of any subsequent breach or default in the terms, conditions and covenants herein.

15. Prohibition Against Advertising:

No advertising or solicitation, including the posting of room rates or transportation fares, shall be allowed on any of Permittee's vehicles, unless specifically approved in writing by the Director; except that a vehicle may display Permittee's authorized common color scheme and markings and destination signs.
